Ayer's CATHARTIC PILLS

REYOU SICK, focuse the amelianing? Are you out at order, with your system deranged, and your factings incomfortable? These symptoms are often the preduct to acrous thous. Some fit of sickness is creeping upon you, and abouid be averted by a timely use of the right remody. Take Ayer's Pills and cleause out the discretered numers—purity the blood and let the fluids move of anoustructed in the filling into Yigorous activity, purity the system from discress. A cold settles somewhere in the body, and observations atterfal functions. These, if not relieved, react upon transclives and the surrounding organs, producting general aggravation, suffering and discress. Whils in this condition, oppressed by the derangements, take Ayer's cities, and see how directly they restore the natural action of two system, and with it the body and teeming of meanth again. What is true and so apparent in this trivial and common complaint, is also true in many o, the deep-stand and dangerous distempers. The same purgative clee expels them. Caused by similar obstructions and derangomenis of the natural innotions of the body, they are rapidly, and many of them surely, curred by the same neaths. None who know the virtues of these Phils, will neglect to employ them when cullering from the di orders they cure.
