the absence of Mayor Kepner, the Chief of Po-

TO ADVERTISERS. The circulation of the DAILY TELEGRAPH IS FOUR TIMES LARGER than any other daily published or circulated in this city, and it therefore presents greater inducements for the patronage of advertisers than is offered to them through any other medium. Let those who want buyers, try advertising in the TELE-GRAPH.

THE MORNING TELEGRAPH

THE CITY TOMBS contained four occupants last night, all victims of tanglefoot, and one of them a "bold soger boy." The Mayor discharged them this morning, and ordered the three "vags" to leave the city.

ASSAULT AND BATTERY .- Henry Buck was arrested yesterday by officer Wickert, charged with assaulting and brating a girl in the employ of one Fisler. He entered bail for his appearance at Court. The prosecution was evidently prompted by malicious motives.

-----CITY TAXES .--- Those who wish to save five per cent. on their city taxes, should pay at once, as the abatement will not be allowed after to-morrow. The Treasurer is now located in his new office in the Court House, where he will be pleased to receive the calls of tax-payers.

NEW FIRE ENGINE.-The new Button engine orderrd by the Good Will company is nearly ready for delivery and will reach this city soon. Arrangements for a parade on its arrival are now in progress, in which the entire fire department will be invited to participate. The engine is similar to that of the Citizen company, but of smaller size.

A GRAND MILITARY PARADE is to take place at Gratztown on independence day. An American flag will also be raised, and patriotic addresses delivered. The "lads and rosy lasses" of the upper end, who usually make the most of such occasions, will be out in crowds to see the sights, participate in the festivities, and patronize the "flying horses." The glorious fourth will be a gala day in that region.

HANDSOME MILITARY DISPLAY .- This fore noon the fourth Michigan regiment, encamped near the Round House, marched to Camp Curtin, and were put through a regular drill. The Michiganders are a fine-looking body of men, and made a splendid appearance on parade .---Considering that the regiment was very re-
