Ayer's CATHARTIC PILLS.

ARE YOU SICK, foeble and compolating? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills and cleanse out the disordered numors—purt. I the blood and lot the fluids move or uncostructed in health again. They stimulate the leactions of the body into v igorous activity, purify the system from disease. A cold settles somewhere in the body, and obstructaits natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering and disease. While in this condition, oppressed by the derangements, take Ayer's rills, and see how directly they restore the natural action of the system, and with it the body and teeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many or the deep-s-anted and dangerous distempers. The same purgative ellec expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many or them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the di-orders they cure. Statements from leading physicians in some of the principal cities, and from other well known public per sons.
