COMMENDATIONS:

From Hon. Lewis D. Campbell, M. C., Ohio.

My family and friends all concur in the opinion that the (Newell) Picture is more life-like than anything they ever saw. My likeness has been repeatedly taken by different Artiets in various ways, but I have never yet had one which presents so true to nature, all the features and expressions of countenance as this.

From Hon. E. Low Marks Lie Ministra to Yells.

and expressions of countenance as this.

From Hon. E. Joy Morris, late Minister to Italy.

The exquisite finish, beauty and softness of your por, traits, conjoined with their durability of color and faith fulness as likenesses, cannot fail to commend them to the attention and patronage of all who appreciate true rat.

Having occasion for a portrait, I procured one from Mr. Robert Newell, of the city of Philadelphia, a miniature in Oil Colors, under the new process discovered by him, and take great pleasure in expressing the satisfaction given me, not only by the accuracy of the like ness, but, its artistic failsh in all respects, and recommend him to the patronage of those disposed to encourage the beautiful art.
