ABUSED HIS FAMILY .-- One David Koonts, of the sixth ward, celebrated the fourth by getting drunk and abusing his family. \_Alderman Kline sent him to prison until yesterday morning to sober up.

SHOOTING AFFAIR .--- A man named John Stick-1 r was arrested yesterday for discharging a pistol at Augustus Millhouse. He was drunk at the time. He appeared before Alderman Kline and entered ball for his appearance at Court to enswer.

PATRIOTIC MUSIO.-We have been kindly presenfed, by Mr. Wm. Knoche, with several new and popular pieces of music, set to patriotic songs, and also a copy of the "Union Song Book," one of the best ever published. These, with all the best sheet music and musical instruments, can be procured of Mr. Knoche, who heeps a large and varied stock.

CASE.-A row occurred on Thursday at or near a lager beer shop in Blackberry allev, between a white and colored man. The latter was so badiy cut with a large knife as to require the attention of a surgeon, who dressed the wound. We did not learn the numes of the parties, but the presumption is that both were intoxicated.

THE KEPNER FENCIELES, Captain Wilt, after sfr. Wm. L. Hallock and wife, partook, of a umptuous repast at their private residence, after which a number of patriotic airs were sung, with plano and flute accompaniments. The company then gave three cheers for Mrs. Iallock, and retired much pleased with the entertainment.

A DESPERADO .-- On Thursday Augustus Millhouse, while under the influence of drugged liquor, assaulted Occella Rees with an axe, and made things rip miscellaneously" in Verbetown, annoying and alarming people residing in that locality. He was captured and taken tefore Alderman Kline who bound him over or trial.

Yesterday Millhouse was arrested again for assaulting Joseph Bangler in a ruffianly manner. He gave bail for his appearance at Court in answer the charge of assault with intent to

Mr. Greenswalt is located at Washington city. CORRECTION. - Our notice of the old soldiers dinner, in yesterday's issue, contained an error. The guest whose geniality and liberality made him aspecial favorite at the banquethoard, was the whole-souled commander of the Tlogs

Sherman, as reported by mistake. ESCAPED FROM THE LOOK-UP.-On Wednesday night eight men escaped from the lock-up by forcing open the iron bars across the window. Last night the institution contained eight lodgers, all "drunks." They were arraigned

THE FOURTH AT GRATEROWN .- Our Gratetown friends had a good time Thursday. There was a military parade, a flag raising, and other appropriate demonstrations. The occasion attracted a large crowd of the lads and lasses of the rural districts. Col. A. J. Herr and Robert L. Muench, Esqs., of this city, were present and delivered patriotic addresses to the people.

MILITARY ARRIVALS .--- We notice at the hoels and on the streets a number of young men in United Statess uniform, said to be West Point he parade on Thursday, by special invitation of graduates, ordered here to officer the new artillery regiment about to be formed under Col. Sherman. They are all newly appointed Capyouthful in appearance.

JUVENILE THIEF .--- A lad named John Solomon, apparently not more than ten years of age, was before Alderman Kline yesterday remarks.

charged with their. The boy confessed his guilt, and was let off with a severe reprimand. This is not his first offence, and unless cured of his propensity for stealing, he will get to the House of Refuge before another year.

THE Sons or BACOHUS were out in full force last night, and kept up their revels until a late late hour, to the great annoyance of order-loving citizens, who vainly sought to woo the embraces of Morpheus. Men and boys were to be met with on nearly every street, realing under the effects of liquid poison, and the conduct of some of them was outrageous. No

doubt many of them found their way into the prison or look-up.

THE COMET OF 1861. - This magnificent comet a man and wife, Miller by name, stopping at was again plainly visible to the naked eye last the same place. A search of their room was night, and hundreds enjoyed the beautiful specaccordingly made on Thursday. No money was tacle. Its nucleus did not appear to us quite so found, but a variety of burglarious implements bright or large as upon the first night of its apand skeleton keys were discovered, when the pearance, and its tail though narrower was much suspected parties were arrested and committed longer. The rays were distinctly marked, and stretched up even beyond the senith. This Yesterday a hearing took place before the comet has been about probably for some time, yor, which resulted in the recommitment of but both of its transits occurring in the day alitier and his wife. It is evident that they time and not being expected, it was not visible Te professional burglars and thieves, and travel before Sunday night. It can, doubtless, be seen every clear night for some time yet.

THE UNION PRATER MEETING will be held in the Presbyterian church, corner of Market Square, this (Saturday) afternoon, commencing at four o'clock, as usual.

The estimates for the navy are also large, but the eract figures are not yet exhibited. Notwithstanding, the very many persons on

mass of the population, gratified by the prote tion promised and now given by the govunment. Thus the fourth of July was gloriously celebrated at Marticeburg. The succession forces which Gen. Patierson scattered on the second, when he crossed the river, lost sixty killed and

had many more wounded. It rallied and presented front yesterday but again retreated to a distance of perention eight miles, where they have been reinforced.
