### Ayer's CATHARTIC PILLS

ARE YOU SICK, tooble 116 complaining?
Are you out of order, with your system deranged,
and your feelings uncomfortable? Those symptoms are
often the prelude to serious illness. Some fit of sickness often the preduct to serious liness. Some at of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills and cleanse out the disordered humper—purity the blood and let the side move ou unobstructed in health again. They stimuse the filbotions of the body into v igorous activity, purity the system from disease. A cold settles somewhere in the body, and obstructsity natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing access, surregarding suffering and if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering and disease. While in this condition, oppressed by the demangements, take Ayer stills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in hany of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural sanctions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the di-orders they cure. Statements from leading physicians in some of the principal cities, and from other well known public per sons.
