Ayer's CATHARTIC PILLS

REYOU SICK, feeble and complaining Are you out of order, with your system deranged, and your lectings uncomfortable? These symptoms are often the prelude to serious illness. Some it of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills and cleanse out the discoursed numors—purity the blood and let the fluids move or anostructed in health again. They stimulate the functions of the body into viorous activity purity by out the disordered numors—purity the blood and let the fluids move of disordered numors—purity the blood and let the fluids move of disordered numors—purity the system and the surface of the body into v igorous activity, purity the system from disease. A cold settles somewhere in the body, and obstructivity natural functions. These, it not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering and disease. While in this condition, oppressed by the derangements, take Ayer s rills, and see how directly they restore the natural action of the system, and with it the budy and the surrounding of hearth again. What is true and so apparent in this trivial and common complisits, is also true in many or the deep-sand and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, corred by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure. Statements from leading physicians in some of the principal cities, and from other well known public persons.
