Holland Bitters DYSPEPSIA,

The successful introduction and use of this cal-brated liemedy has been the signal for a literal flood of compounds called "Bilters," offered in various forms, from a quark bottle to a five-gallon keg, until this word "Bitters" is but another name for "grog," or some villances whiskey mixture. But the really great relief derived from the minute dose, one teaspoonful, of our medicine,

and the entire absence of after prostration, has esta-blished for it a reputation which the host of imitations and counterfeits have failed to undermine. It is posi-itely a vegetable proparation, with barely sufficient pure spirits to preserve it. But one size of the genuine, (Half-Pint Bottles,) price ONE Data.
