Ayer's CATHARTIC PILLS

Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious lilness. Some fit of sickness is creeping upon you, and should be averted by a timely zee of the right remedy. Take Ayer's Pills and cleame out the disordered humors—purity the blood and let the finds move on unobstructed in hoslin again. They stimulate the innotions of the body into v igorous activity, purify the system from disease. A cold settles somewhere in the body, and obstructed in hardral functions. These, it not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering and disease. While in this condition, oppressed by the devangements, take Ayer a tills, and see how directly they resione the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effec expels them. Caused by similar obstructions and derangements of the natural functions of, the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pils, will neglect to employ them when authering from the disorders they cure.

BERHAVE'S

DYSPEPSIA. Liver Complaint, Fever and Ague, &c.

The successful introduction and use of this cel-brated Remedy has been the signal for a literal flood of compounds called "Bitters," offered in various forms, from a quart bottle to a five-gallon keg, until this word "Bitters" is but another came for "grog," or some villanous whiskey micture. But the really great relief derived from the minute dose, one teaspoonful, of our medicine,

BERHAVE'S HOLLAND BITTERS, BGERHAVE'S HOLLAND BITTERS, and the entire absence of after progration, has established for it a reputation which the host of imitations and counterfeits have failed to undermine. It is a medicine of long-tried efficacy for Purifying the Blood, so essential for the foundation of good health and for correcting disorders of the stomach and bowels.

Two or three doses will convince the afflicted of its salutary effects. The stomach will speedily regain its strength, a healthy action of the liver, bowels and kidneys will soon take place, and renewed health be the quick result.
