CATHARTIC PILLS.

Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely view of the right remedy. Take Ayer's Pills and cleanse out the disordered numors—purt. y the blood and let the finds move 9: aucostructes in highly again. They stimulate the functions of the body into vigorous activity, purity the system from disease. A cold settles somewhere in the body, and obstructaits autural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering and disease. While in this condition, oppressed by the derangements, take, Ayer's rillis, and see how directly they restore the natural action of the system, and with it the budyant teeling of beauth again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-scated and dangerous distempers. The same purgative effec expels them. Cansed by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. Nome who know the virtues of these Pilis, will neglect to employ them when antiering from the disorders they cure.

DR. ATER: Your Pills are th. paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her han s and feet that had proved incurable for years. Her m ther has been long grieviously afficted with blotches and pimples on her skin and in her hair. Alter our child was cured, she also tried your Pills, and they have cured her.

ASA MURGRIDG E.

AS A FAMILY PHYSIC. [From Dr. E. W. Cartwright, New Orleans.] Your Piles are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which make them invaluable to us in the daily ent of disease.

HEADACHE, SICE HEADACHE, FOUL STOMACE. [From Dr. Edward Boyd, Baltimore.]

Date Bro. Are: I cantot answer you went com-plaints I have court with your Pills better than to say all that we ever treat with a purpative medicine. I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly.

DR. J. C. AYER—Sir: I have been repeatedly cured of he worst headacake anybody can have, by a dose or two your Pills. .t seems to arise from a foul stomach, which they cleanse at once.

Not only are your Pills at a rably adapted to their purpose as an aperion, but I and their boundate elects upon the Liver very marked ladeed. they nave in my practice proved more effectual for the cure of Billious Complaints than any one remedy I can mention. I since cerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the results.

DEPARTMENT OF THE INTERIOR, Washington, D. C., 7th Feb. 1856. Washington, D. C., 7th Feb. 1856. J Sir: i have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathertic we employ. Their regulating action on the liver is quack and decided consequently they are an aumirable comedy for derangement of that organ. Indeed, i have acidom found a case of Billous Disease so obstitute that it did not readily yield to them. Fraternally yours,

Their alterative ettost upon the liver makes them an excellent remedy, when given in small doses for Billeus Dysentery and Diarrhosa. Their sugar-coating nakes them very accoptable and convenient for the use of women and children.

DYSPERSIA, IMPURITY OF THE BLOOD. From Rev. J. V. The successful introduction and use of this celebrated Remedy his been the signal for a literal flood of compounds cilled "Bitters," offered in various forms, from a quirt bottle to a five-gallon keg, until this word "Bitters" is but another name for "grog," or some villanous whiskey mixture.

But the really great relief derived from the minute dose, one teasponful, of our medicine,

BERHAVE'S HOLLAND BITTERS,

BERHAP'S HOLLAND BITTERS, and the entire phenose of after prostration, has established for it a reputation which the host of ministions and counterfeits have failed to undermine. It is positively a vegetable preparation, with barely sufficient pure spirits to preserve it.

It is a medicine of long-tried efficacy for Purifying the Book, so essential for the foundation of good health and for correcting disorders of the stomach and bowels.

Two or three doses will convince the affilicted of its salutary effects. The stomach will speedily regain its strength, a healthy action of the liver, bowels and kidneys will soon take place, and renewed health be the quick result!
