Ayer's CATHARTIC PILLS.

AREYOU SICK, teeh: Are your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be avorted by a timely use of the right remedy. Take Ayer's Pills and cleanse out the disordered numors—purity the blood and let the fittled move or unconstructed in health again. They stimutate the functions of the body into v igorous activity, purity the system from disease. A cold settles somewhere in the body, and obstructists natural functions. These, it not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering and disease. While in this condition, oppressed by the derangements, take Ayer's rills, and see how directly they restore the natural action of the system, and with it the buoyant leeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many or the deep-seated and dangerous distempers. The same purgative effec expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the di orders they cure.
