Ayer's CATHARTIC PILLS

A REYOU SICK, feel—compiaining?
A Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the preduce to serious illness. Some fit of sickness is creeping upon yoù, and should be averted by a timely use of the right remedy. Take Ayer's Fills and cleans out the disortered numers—pure, y the blood and let the fluids move on anobstructed in health again. They stimulate the functions of the body into y agrous activity, purify the system from disease. A cold settles somewhere in the body, and obstructed authors interior. These, if not relieved, reach upon thomselves and the surrounding organs, producing general aggravation, suffering and disease. While in this condition, oppressed by the derangements, take Ayer's Fills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many or the deep-seated and dangerous distempers. The same purgative effec expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ hem when suffering from the di-orders they cure. Statements from leading physicians in some of the principal cities, and from other well known public per sons. REYOU SICK, feel complaining

DYSPEPSIA, Liver Complaint, Fever and Ague, &c.

The successful introduction and use of this celebrated Remedy has been the signal for a literal flood of compounds called "Bitters," offered in various forms, from a quart bottle to a five-gallon keg, until this word "Bitters" is but another name for "grog," or some villanous whiskey mixture. But the really great relief derived from the minute dose, one teaspoonful, of our medicine,

BERHAVE'S HOLLAND BITTERS, BUERHAVE'S HOLLAND BITTERS, and the entire absence of after procedution, has established for it a reputation which the host of imitations and counterfeits have failed to undermine. It is postively a vegotable preparation, with barely sufficient pure spirits to preserve it.
