CATHARTIC DILLS

REYOU SICK, ter

Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the preliude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely one of the right remedy. Take Ayer's Pills and cleanse out the discripted humors—purity the blood and let the dudies move of anoustructed in health again. They etimiste the functions of the body into vigorous activity, purity the system from disease. A lod settles somewhere in the body, and obstracts: satural functions. These in the body, and obstracts: satural functions, suffering and disease. While in this condition, oppressed by the derangements, take Aver. 2 dils, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health each. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-scated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, coved by the same means. None who know the virtues of these Pils, will neglect to employ hem when suffering from the di orders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public persons.

From a Forwarding Merchant of St. Louis, Feb. 4, 1850. DR. AYER: Your fills are the paragon of all that is great in medicine. BCERHAVE'S

DYSPEPSIA,

Liver Complaint, Fever and Ague, &c. The successful introduction and use of this cale-brated Remedy has been the signal for a literal flood of compounds called "Bitters," offered in various forms, from a quart bottle to a five-gallon keg, until this word "Bitters" is but another name for "grog," or some villanous whiskey mixture. But the really great relief derived from the minute dose, one teaspoonful, of our medicine,

BERHAVE'S HOLLAND BITTERS, and the entire absence of after prostration, has esta-blished for it a reputation which the host of initations, and counterfeits have failed to undermine. It is posi-tively a vegetable preparation, with barely sufficient pure spirite to preserve it.

But one size of the genuine, (Half-Pint Bottles,)

price ONE DOLLAR.

It is a medicine of long-tried efficacy for Purifying the Elond, so essential for the foundation of good health and for correcting disorders of the stomach and bowels.

Two or three doses will convince the afflicted of its salutary effects. The stomach will speedily regain its strength, a healthy action of the liver, bowels and kidneys will soon take place, and renewed health be the quick result.
