BERHAVE'S

DYSPEPSIA, Liver Complaint, Fever and Ague, &c.

THE successful introduction and use of this celebrated Remedy has been the signal for a literal food of compounds called "Bittera," offered in various forms, from a quart bottle to a five-gallon keg, until this word "Bitters" is but another name for "grog," or some villanous whisky mixture.

But the really great relief derived from the minute dose, one teaspoonful, of our medicine, BERHAVE'S HOLLAND BITTERS.

BERHAVE'S HOLLAND BITTERS, and the entire absence of after prostration, has established for it a reputation which the host of imitations and counterfeits have failed to undermine. It is positively a vegetable, preparation, with barely sufficient pure spirits to preserve it.

But one size of the genuine, (Half-Pint Bottles,) price ONR DOLLAR,

It is a medicine of long-tried efficacy for Partyring the Blood, so essential for the foundation of good health and for correcting disorders of the stumach and bowels.

Two or three doses will convince the afflicted of its salutary effects. The stomach will speedily regain its strength, a healthy action of the liver, bowels and kidneys will soon take place, and renewed health be the quick result.
