HARRISBURG, PA.

Friday Afternoon, August 23, 1861.

COUNTY COMMITTEE

The County Committee of the People's party will meet at the Court House in Harrisburg, on Tuesday, the 27th day of August instant, at 11 o'clock, P. M.

Chief of Police Radabaugh is again confined to his house by a severe attack of inflammatory Rheumatism.

ROAD APPOINTMENT.—Thomas A. Scott, Esq., late Superintendent of the military routes of the government, having been appointed Assistant Secretary of War, R. F. Morley, Esq., late of the Allegheny Valley Railroad, has been selected to fill his place.

GOOD BARRONS.—The Rev. Peter Cartwright, the Methodist pioneer preacher of the West, who our readers will recollect delivered several lectures in this city, some time ago, in a recent letter to a fellow preacher in Missouri, speaks his sentiments in the following intelligible and patriotic sentences:

I hope General Lyon will catch Tony Jackson, and hang him at the first tree he comes to. I don't mean to say that I wish to see him hang, but I would rather see him hang than that this glorious government should be overthrown.

SHOCKING RAILROAD ACCIDENT.—A shocking accident occurred near Newport, on the Pennsylvania Railroad the other night. It appears that a man, evidently a soldier, got on the bumper of one of the cars of the stock train, and falling off in some way, an approaching train on the other track ran over him, killing him instantly.

ADVERTISING RULE.—Barnum, who has expended as much money for newspaper advertising as any other man, and reaped as much profit from that source, lays it down as a rule, in his celebrated book on "The Art of Making Money," that "the proper time to advertise judiciously is when others don't."

POLICE.—BEFORE THE MAYOR.—Tom. Nolan again paid his respects to his honor the Mayor. Tom has grown grey in the service of Captain Whisky, and seems to have enlisted for life.

THE ANDERSON ZOUAVES.—This splendid regiment from New York city arrived here last evening in thirty-one cars over the Lebanon Valley Railroad, en route to swell the grand army of the Union, and to defend that flag of America, which has been ruthlessly assailed by those who desire to overthrow the government.

THE ADVANCE GUARD are dressed in regular French Zouave style—loose red pantaloons, black jacket, trimmed with red, fez cap, and armed with the Springfield musket, carrying by their sides the heavy French sabre.

Wm. Brown, a stranger, hailing from Carlisle, was up for drunkenness. Discharged on a promise to leave the city.

Henry Davis, another "drunk," fined one dollar and costs, and discharged.

Jno. Froelzer, a vagrant of twenty years or thereabouts, looking for all the world as if he was ready to fall to pieces, received marching orders to leave the city.

THE TRANSITION from the intense heat of last week, to the Autumn-like coolness of the last few days, has been too sudden to be agreeable or healthful.

HOW LOST, HOW RESTORED.—JUST PUBLISHED ON THE NATURE, TREATMENT AND RADICAL CURE OF SPERMATORRHOEA, or Seminal Weakness, Sexual Debility, Nervousness, Insolvency, Emaciation and Impotency, resulting from Self-abuse, &c. By Robt. J. Culverwell, M. D.

THUNDER AND LIGHTNING.—THE vast amount of property destroyed annually by Lightning ought to be a warning to all who are in the habit of building.

JUDGE PEARSON ON THE NATIONAL CRISIS.

In his charge to the grand jury on the opening of the Lebanon county Court this week, Judge Pearson, speaking on our present national conflict, and the laws relating to the duties of the citizens concerning the same, instructed them in substance as follows:

You are well aware, gentlemen, that the government of the country is now engaged in a great struggle with rebellion. A very considerable portion of the States of this Union have risen against the laws, endeavored to throw off their allegiance, and are now in open arms, with a view of subverting and destroying the Constitution and government of the United States.

TREASON.—Treason may also be committed against the State of Pennsylvania by the same acts or any endeavor to subvert and overthrow the government, and over that offense you and we have jurisdiction.

THE CANALS.—We have information from head quarters that the aqueduct of the Pennsylvania canal over Chiques creek, near Columbia, which was damaged by the late flood, has been repaired, and navigation on the canal resumed.

THE BREACHES on the Juniata and Susquehanna canals have also been repaired, and navigation resumed.

ALL the canals, therefore, east of the Allegheny mountains, communicating with the coal fields and lumber regions, which were injured during the late floods are now open and in successful operation.

THE WESTERN DIVISION of the Pennsylvania canal is now in course of repair, and will shortly be in navigable condition.

MORE MILITARY.

The first detachment of Col. Rowley's regiment of volunteers from Pittsburg arrived here last night.

TO YOUNG MEN FROM THE COUNTRY.—Harvest is over and the crisis of war is at hand. Now is the time to enlist. Government at this moment stands in greater need of troops than at any time heretofore.

BILL GREEN, a negro desperado, well known to the magistrates of our city, was arrested at the depot at noon to-day by officers Wickert and Cole, and conducted to prison.

THE BREACHES on the Juniata and Susquehanna canals have also been repaired, and navigation resumed.

ALL the canals, therefore, east of the Allegheny mountains, communicating with the coal fields and lumber regions, which were injured during the late floods are now open and in successful operation.
