All Mercurial Diseases. It is a conveniently arranged Band, containing a mean cated compound, to be worn around the Waist, without injury to the most delicate persons, no change in habits of living is required, and it entirely removes the disease from the system, without producing the injurious effects arising from the use of powerful internal medicines which weaken and destroy the constitution, and give temporary relief only. By this treatment, the medical properties contained in the Band, come in contact with the blood and reaches the disease, through the pores of the skin, effecting in every instance a perfect cure, and restore the parts afflicted to a healthy condition. This Band is also a most powerful ARTI-MERCORIAL agent, and will entirely relieve the system from the permicious effects of Mercury.
