BOLRHAVE'S

Holland Bitters

DYSPEPSIA, Liver Complaint, Fever and Ague, &c.

The successful introduction and use of this celebrated Remedy has been the signal for a literal flood of compounds called "Bitters," offered in various forms, from a quart bottle to a five-gallon keg, until this word "Bitters" is but another name for "grog," or some villanous whiskey mixture. But the really great relief derived from the minute dose, one teaspoonful, of our medicine,

BERHAVE'S HOLLAND BITTERS. and the entire absence of after prostration, has esta-blished for it a reputation which the host of imitations and counterfeits have failed to undermine. It is posi-tively a vegetable preparation, with barely sufficient pirits to preserve it.
one size of the genuine, (Half-Pint Bottles,) price ONE DOLLAR.

It is a medicine of long-tried efficacy for Purifying the Blood, so essential for the foundation of good health and for correcting disorders of the stomach

Two or three doses will convince the afflicted of its salutary effects. The stomach will speedily regain its strength, a healthy action of the liver, bowels and kidneys will soon take place, and renewed health be the quick result. For INDIGESTION, Try Berhave's Holland Bitters.

Ayer's CATHARTIC PILLS.

REYOU SICK, toek!c omplaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills and cleanse out the disordered humors—purity the blood and let the fluids move? unobstructed in health again. They stimulate the functions of the body und verorous activity, purity the system from disease. A old settles somewhere in the body, and obstructaits unteral functions. These, it not relieved, react upon themselves and the surrounding organs, producing general agarantion, suffering and disease. While in this condition, oppressed by the derangements, take Aver's Allis, and see how directly they restore the natural action of the system, and with it the buoyant feeling of nearth sgain. What is true and so apparent in this trivial and symmon complaint, is also true in many or the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the, same means. None who know the virtues of these Pilis, will all getter to employ how when when suffering from the di-orders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public per sons.
