# Holland Bitters

DYSPEPSIA. Liver Complaint, Fever and Ague, &c.

THE successful introduction and use of this celebrated Remedy has been the signal for a literal flood of compounds called "Bitters," offered in various forms, from a quart bottle to a five-gallon sleg, until this word "Bitters" is but another name for "grog." or some villanous whiskey mixture.

But the really great relief derived from the minute does, one teaspoonful, of our medicine,

BERHAVE'S HOLLAND BITTERS, and the entire absence of after prostration, has esta-blished for it a reputation, which the host of imitations and counterfeits have falled to undermine. It is post-tively a vegetable preparation, with barely sufficient pure spirits to preserve it.

But one size of the genuine, (Half-Pint Bottles,) price Over DOLLAR.

It is a medicine of long-tried efficacy for Partifying the Blood, so essential for the foundation of good health and for correcting disorders of the stomach

heath and for correcting and bowels.

Two or three doses will convince the afflicted of its salutary effects. The stomach will speedily regain its strength, a healthy action of the liver, bowels and lithers will soon take place, and renewed health be the quick result. For INDIGESTION, Try

## CATHARTIC PILLS

ARE YOU SIOK, teeble and complaining?

Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious liness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pilis and cleanse out the disordered humors—purity the blood and let the failds move u subostructes u health again. They stimulate the functions of the bolly-thio v igorous activity, purity the system from disease. A lost settles somewhere in the body, and obstructed inatural functions. These, if not relieved, react upon tuemsdives and the surrounding originals, producing see Serials/gravation, suffering and disease. While in this condition, oppressed by the derangements, take Ayer's 'dits, and see how directly they restore the natural action of the system, and with it the buoyant lealing of health 'gain. What is true and so apparent in this trival and summon complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, oured by the same means.
