sited by the use of Wood's Hair Restorative, and requesting my certificate of the fact if I bad no objection to give it.

I award it to you cheerfully, because I think it due.—
My age is about 50 years; the color of my hair auburn, and inclined to curl. Some five or six yoars since it began to turn gray, and the scalp on the crown of my head to lose its sembility and dandruff to form upon it. Each of these disagreeabilities increased with time, and about four months since a fourth was added to them, by hair failing off the top of my head and threatening to make me bald.

In this unpleasant predicament, I was induced to try Wood's Hair Restorative, mainly to arrest the failing off of my hair, for I had really no expectation that gray hair could ever be restored to its original color except from dyes. I was, however, greatly surprised to find after the use of two bottles only, that not only was the failing off arrested, but the color was restored to the gray hairs and sensibility to the scalp, and dandruft ceased to form on my head, very much to the gratification of my wife, at whose solicitation I was induced to try it.

For this, among the many obligations I owe to her sex, I strongly recommend all husbands who value the admiration of their wives to profit by my example, and use it if growing gray or getting bald.

Very respectfully, BEN. A. LAVENDER.

EVERYTHING QUIET.

WASHINGTON, Sept. 9. Major General McClellan has issued the following order, viz :

> HEADQUARTERS OF THE POTOMAC, WASHINGTON, Sept. 8, 1861.

Private Wm. Scott, company K, Third regiment Vermont volunteers, having been found guilty by court martial of sleeping on his post while a sentinel on picket guard, has been sentenced to be shot, and the sentence has been approved and ordered to be executed. The commanding officer of the brigade, the regiment and the company of the condemned, together with many other officers and privates of his regiment had earnestly appealed to the Maj. Gen. Com. to spare the life of the offender, and the President of the U.S. expressed a wish that as this is the first condemnation to death in this of United States troops. This firm also own the criminal. This fact, viewed in connection with the inexperience of the condemned as a soldier, his previous good conduct, and general good character, and the urgent entreaties made in his behalf, have determined the Major General commanding to grant the pardon so ear nestly prayed for

This act of clemency must not be understood

as affording a precedent for any future case. The duty of a sentinel is of such a nature that its neglect by sleeping upon or deserting his post may endanger the safety of a command or even of the whole army, and all nations affix to the offence the penalty of death.

Private Wm. Scott, company K., third regi ment Vermont volunteers, will be released from confinement and returned to duty.

By command of MAJOR-GENERAL M'CLELLAN. S. WILLIAMS, Assistant Adjutant-General.

The chief clerk Mr. Leslie of the War Depart

ment, has resumed his duties, after several

weeks absence with improved health The War Department has issued an order that volunteer cavalry regiments of twelve companies shall have three (3) Majors, and regiments of from eight to ten companies, two

Majors instead of one only as heretofore. Scott was to have been shot this morning the pardon was read to the regiment, which heartily expressed their appreciation of this act

of Executive clemency. At the camp of Col. Young's regiment of Kentucky cavalry, Sunday noon, a soldier named Henderson shot another named Walter. while performing duty as a guard. There is no

prospect of his recovery. Sergeant Joseph H. Bryson was the officer of the day, and owing to his presence of mind and demeanor, discipline was secured to the camp. Walter fell at the feet of Sergeant Bryson.

who immediately disarmed Henderson of his revolver, had him put under guard, and then attended to the wound of the sentinel, who is now at the Washington Hospital. The Burnham breech-loading cannon is now

being tested at the Navy Yard here. The Sanitary Commission have recommended the War Department to increase the Hospital accommodations here, by adding fifteen thousof Kentucky. and beds to the number already prepared.

NEW JERSEY VOLUNTEERS. TRENTON, N. J., Sept. 9. The Sixth New Jersey regiment will soon leave for the seat of war. The Seventh regi-

WASHINGTON, Sept. 9. Commander Rowan has written a letter to the Secretary of the Navy, dated U. S. steamer Pawnee, Hatteras Inlet, Sept. 5, of which the

following is an extract : "In a communication addressed to the Commander-in-Chief at Hampton Roads, I informed him that I had forwarded seven of the fugitives in the Peabody.

LATER FROM MISSOURI.

SPRINGFIELD, Sept. 7. We are indebted to the correspondent of the

St. Louis Democrat for the following items : About one hundred and twenty-five of the wounded in the hospital in this place were discharged to day and will leave for home as soon as the ambulances sent from Rolla arrive here. The remainder of the wounded in the hospital are doing well. All the rebels wounded have been sent to Bensonville, a few miles below the Arkansas line. One of their surgeons informs me that the typhoid fever has broken out in their hospital and their deaths amount to fif-

teen ortwenty per day. Gen. McCullough is reported to be at Mount Vernon, recruiting and organizing for a bold

nd vigorous effort northward. There are various rumors about Generals Price and Rains having taken Fort Scott, defeated Col. Montgomery, captured all his stores, arms, &c., and taken nearly all his command, himself among the rest as prisoners, but they need con-

firmation. Gen. Jackson, with his body-guard, arrived here to-day, but his future movements are un-

known. Sr. Louis, Sept. 8.—Mr. Murphy, a member of the firm of Torbest & Co., of Lynn Creek, Camden county, now in this city, received advices light night that their store was robbed on Thursday by a band of 150 secessionists, headed by a preacher named Johnson, of Lane's Prairie, and property to the amount of \$110,000

carried off. Col. McClung, another member of the firm, is at Jefferson City, in command of a regiment army for this crime, mercy may be extended to two steamers running on the Osage river, one of which the rebels seized, but as the river is too low for navigation, it is thought they will destroy her.

prisoner. Gen. Price, who was at Osceola, credited the

report. FREDERICKSTOWN, Mo., Aug. 29 .- The eight regiments assembled here (including that of the renowned Gen. Hecker) have received orders to march "to the South" at 8 o'clock to-day. The Hecker regiment has passed a heavy crisis. A conspiracy of the officers of two companies against the Colonel was sprung some time ago, but failed. The soldiers breathe free again; the old man remains with them to carry them to victory and honor. During an absence of Col. H. on regiment business, the dark plot was to

ed, destroying the originators of the plan. The following officers were discharged from the regiment by Col. H., this forenoon, who had received the necessary power for this object from Gen. Fremont:

Lieutenant-Colonel Meholtz received permission to give in his resignation in ten days. THE KENTUCKY LEGISLATURE.

FRANKFORT, Ky., Sept. 7. The State Senate to-day appointed Messrs. Johnson, Reed, and Thornton Marshall a committee to visit Western Kentucky and inquire of the federal and confederate military authorities by whose direction, and for what reasons, they are occupying certain portions of the soil

In the House the United States flag was ordered to be hoisted over the Capital by a vote Mr. Desha subsequently moved to hoist the
