BERHAVE'S

DYSPEPSIA. Liver Complaint, Fever and Ague, &c.

The successful introduction and use of this celebrated Remedy has been the signal for a literal flood of compounds called "Bitters," offered in various forms, from a quart bottle to a five-gallon keg, until this word "Bitters" is but another name for "grug," or some villanous whiskey mixture.
But the really great relief derived from the minute dose, one teaspoonful, of our medicine,

BERHAVE'S HOLLAND BITTERS. BCERHAVE'S HOLLAND BITTERS, and the entire absence of after prostration, has established for it a reputation which the host of innitations and counterfeits have failed to undermine. It is posttively a vegetable preparation, with barely sufficient pure spirits to preserve it.

But one size of the genuine, (Half-Pint Bottles,) price ONE DOLLAN.

It is a medicine of long-tried efficacy for Purifying the Blood, so essential for the foundation of good bealth and for correcting disorders of the stomach and bowels.

Two or three doses will convince the afflicted of its salutary effects. The stomach will speedily regain its strength, a healthy action of the liver, bowels and kidneys will soon take place, and renewed health be the quick result.

CATHARTIC PILLS.

## Ayer's

A re you out of order, with your system deranged, and your factings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is oreeining upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills and cleanse out the district dumors—purity the blood and let the finide move of uncostructed in health again. They stimulate the functions of the body into v igorous activity, purity the system from disease. A cold settles somewhere in the body, and obstratistic natural functions. These, it not relieved, 'each upon themselves and the surrounding organs, producing geteral aggravation, suffering and disease. While in this constitution, oppressed by the derangements, take Ayer's fills, and see how directly they restore the natural action of the system, and with it the buoyant teeling of health, cain. What is true and so apparent in this trivial and dommon complaint, is also true infinity of the deep-seased and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know they victures of these Pills, will neglect to employ hem when suffering from the diorders they cure. [From Dr. E. W. Cartwright, New Orleans.] Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which make them invaluable to us in the daily reatment of disease.
