In this implicasant predicament, I was induced to try wood's Hair Kestorative, mainly to arrest the failing off of my hair, for I had really no expectation that gray in air could ever be restored to its original color exception discovered by hairs and color exception discovered to the gray from dyes. ALL IS QUIE .. A COURT OF INQUIRY, SECESSION PAPERS STOPPED

DEFALCATION OF GALLAGHER,

WASHINGTON, Sept. 16.

There is no battle yet, and so far as we can udge from this side of the river, there is none ery imminent.

The usual artillery practice is going on in the neighborhood of the Chain Bridge, but beyond that we have heard of nothing up to this hour. The Court of Inquiry in the case of Captain Dove, of the U.S. steamer Pocahontas, charged with communicating with the Maryland rebels,

was commenced this morning. All the secession papers published in Balti-

more have been suspended. Some citizens of North Carolina, who have ust reached here, declare that Hon. C. H Foster has never been elected to the Federal Con-

gress, and he has not raised a brigade. The defalcation of Paymaster Gallagher is being made up for the government by his

friends FROM GEN. BANKS' COLUMN,

Cavalry Equipments Restored to Capt Dufief. Increased Activity in the Departments.

THE REBELS BECOMING BOLD. Col. Biddle Declines the Commission of

Brigadier General. DARNSTOWN, Sept. 14. A quantity of cavalry arms and equipments which were recently seized by some of the soldiers at the house of Capt. John L. Dufief under the misapprehens on that they were to be used to aid the rebel cause, have been ordered by Gen. Banks to be restored, it appearing from good Union authority that Mr. Dufief has alvays been an unflinching Unionist and that they were issued by Gov. Hicks to sustain the

Union cause in this county. Capt. Dufief will return them to Gov. Hicks on their delivery. There has apparently been increased activity in all the departments of this division during the past week. There are numerous floating rumors that Johnson has been greatly strength. ened along the river line.

On one occasion a regiment of rebels came in

fuil view of our pickets at or near the mouth of the Seneca river, but moved off before our batteries could be brought to bear upon them. Col. Biddle, of the Pennsylvania first rifle regiment has declined the commission of Brig. General, recently tendered him by the War Department, but still commands the first brigade of Gen. Banks' column. The cause of his declining he states to be that he stands pledged to his constituents in Philadelphia to represent their interests in Congress and should he accept a commission from the United States he would be compelled by the constitution to re-

termined to expend his best energies in the field towards bringing the rebellion to a speedy and triumphant career.

THE QUEEN'S RESPECT FOR THE SABBATH:-For many years past the journeymen in the fish, poultry, meat, vegetable, and ice trades at the west end of the metropolis, have been desirous of abolishing Sunday labor, but hi herto without success. They have now, however, secured the counsel and services of Samuel Guiney, Esq., P. M., as the chairman of a society which they have formed, and on his taking the chair at the committee, a communication was received to the effect that her Gracious Majesty having heard of the very laudable efforts of those whose labor on the week day is excessive, to obtain a cessation from their toil on Sunday, had given strict orders that for the uture, no provisions of any kind whatever shall be permitted to be brought into the Palace on the Sunday.

ELEVEN PERSONS POISONED BY A NEGRO -The family of John Sutherland, Esq., numbering nine persons, in Pipestown township, Michigan, were poisoned by arsenic placed in various articles used in the house and in the well, and spring from which water was drawn, on Mona spring from which water was drawn, on Mon-day of last week. Dr. Fowler, of Cass county, and a young lady called in to aid the family were also poisoned by partaking of food which they supposed was free from the drug. The Doctor and Mr. Sutherland's infant child have died, and another child is likely to die. The THE UNDERSIGNED having embarked remainder is supposed will survive.
