BERHAVE'S

Holland Bitters

DYSPEPSIA, Liver Complaint, Fever and Ague, &c.

THE successful introduction and use of this cele-brated Remedy has been the signal for a literal flood of compounds called "Bitters," offered in various, forms, from a quart bottle to a five-gallon keg, until this word "Bitters" is but another name for "grog," or some villanous whiskey mixture. But the really great relief derived from the minute dose, one teaspoonful, of our medicine,

BERHAVE'S HOLLAND BITTERS, and the entire district of after prostration, has established for it a separation which the host of imitations and counterfeits have failed to undermine. It is postively a vegetable preparation, with barely sufficient pure spirits to preserve it.

But one size of the genuine, (Haif-Pint Bottles,) price ONE DOLLAR.

It is a medicine of long-tried efficacy for Purifying the Blood, so essential for the foundation of good health and for correcting disorders of the stomach and bowels.

and bowles.

Two or three doses will convince the afflicted of its saintary effects. The stomach will speedily regain its strength, a healthy action of the liver, bowels and kidneys will soon take place, and renewed health be the could result.

Ayer's CATHARTIC PILLS.

ARE YOU SICK, toeble and complaining?

Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelide to serious illness. Some it of sickness is oreaping upon you, and should be avoired by a timely see of the right remedy. Take Ayer's Pills and cleaned at the discribered humors—purt, y the blood and let the fluids move of ablostrates on hallt again. They stimulate the functions of the body into a knorous activity, purify the system from the base. A cold settles somewhere in the body, and obstructists actural functions. These, if not relieved, react upon thouself of a functions and the surrounding organs, producing several aggravation, suffering and disease. White in this condition, oppressed by the derangements, take Ayer's, slits, and see how directly they restore the natural settlen of the system, and with it the budyant feeling of, ineath, exaits. What is true and so apparent in this true all and common complaint, is also true in many of the deep-scated and dangerous distempers. The same purgative chee expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidity, and many of them surfering from the disorders they cure.
