.The schedule will state the times within which articles will be required to be delivered; and where the printed schedule is not used, the periods stated in it for deliveries must be copied in the bids. All the articles which may be contracted for must be delivered at such place or places, including drayage and cartage to the place, where offer is made, as may be directed by the commanding officer thereof; and, all other things being equal, preference will be given to American manufacture. No article will be received after the expiration of the pe riod specified in the schedule for the complete of deliveries, unless specially authorized by the Department. In computing the classes, the price stated in the column of prices will be the standard, and the aggregate of the class will be

carried out according to the prices stated.

It is to be provided in the contract, and to be distinctly understood by the bidders, that the amount and number of articles enumerated in classes headed "miscellaneous" are specified as the probable quantity which may be required, as well as to fix data for determining the lowest bid; but the contractor is to furnish more or less of the said enumerated articles, and in such quantities, and at such times, as the bureau or com-mandant may require; such increase, however, not to exceed one half of the quantities stated (and requisitions sent; through the post office shall be deemed sufficient notice) during the fiscal year ending 30th June, 1862; and whether the quantities required be more or less than these specific than those specified, the prices shall remain the

same.

MAII the articles under the contract must be of the best quality, delivered in good order, free of all and every charge or expense to the Government, and subject to the inspection, count, weight or measurement of the said navy yard, and be in all respects satisfactory to the commandant thereof. Bidders are referred to t pard for plans, specifications, or samples, and any further description of the articles. When biddens shall be in doubt as to the precise articles paned in the schedule, they will apply to the commanding officer of the navy yard, and not to employees, for description of the article or Mis ellaneous.

BERHAVE'S

Holland Bitters

DYSPEPSIA. Liver Complaint, Fever and Ague, &c.

THE successful introduction and use of this celebrated l'emedy has been the signal for a literal ficod of compounds called "Bitters," offered in various forms, from a quart bottle to a five-gallon keg, uptil this word "Bitters" is but another name for "grog," or some villanous whiskey mixture. But the really great relief derived from the minute dose, one teaspoonful, of our medicine,

BERHAVE'S HOLLAND BITTERS, and the entire sheener of other prestration, has established for it a reputation which the host of ministions and counterfeits have failed to undermine. It is positively, a regetable preparation, with barely sufficient pure spirits to preserve it.

But one size of the genuine, (Half-Pint Bottles,) price Our Bollin.

It is a medicine of long-tried efficacy for Purifying the Beat, so essential for the foundation of good hoalth and for correcting disorders of the stomach and bowels.

Ayer's CATHARTIC PILLS

A REYOU SICK, feeble end complaining?
Are you out of order, with your system deranged, and your feelings uncomfortable? These esymptoms are often the prelude to serious illness. Some fit of sickness is oreoping upon you, said should be averted by a timely use of the right remedy. Take Ayer's Pills and cleanse but the discretered humors—purity the blood and let the finds move o amoestructed is health again. They stimulate the functions of the body into a logorous activity, purity the system from disease. A void estitles somewhere in the body, and obstructaits natural functions. These, if not relieved, react upon the macrosic processing secent aggregate, suffering and disease. While in this condition, oppressed by the derangementity take Ayer's s'ells, and see how directly the derangementity, take Ayer's s'ells, and see how directly the disease. While in this condition, oppressed by the de-rangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of heath again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distam-pers. The same purgative effect expols them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.
