The successful introduction and use of this cele-ciated Remedy has been the signal for a literal flood of compounds called "Bitters," offered in avarious forms, from a quart bottle to a five-gallon key, until this word "Bitters" is but another name for "grog," or some villanous whiskey mixture. Ayer's CATHARTIC PILLS

AREYOUSICK, feeble and complaining?

Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prefude to serious filesss. Some fit of sickness is creeping upon you, and should be averted by a timely vac of the right remedy. Take Ayer's Pills and cleanse out the disturbered humors—purity the blood and let the finits move o. anoustructed in health again. They stimulate the functions of the body into vigorous activity, purity the system from disease. A cold settles somewhere to the body, and observedit actural functions. These, if not relieved, react upon incusselves and the surrounding organs, producing general aggravation, suffering and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this tryial and common complaint, is also true in many or the deep-seased and dangerous distempore. The same purgative effect expels them. Caused by almilar obstructions and derangements at the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virture of these Pills, will neglect to employ hem when suffering from the disorders they cure.
