DR. JOHNSTON.

Dr. Johnson member of the Royal College of Surgeons, London, graduate from one of the mest eminent Colleges of the United States, and the greatest part of whose life has been spent in the Hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astendaming cures that were ever known. Many troubled with ringing in the ears and head when asteop, great nervouncess, being alarmed at studion sounds, bashfulcas, with frequent blushing, attended sometimes with derangement of mind were cured immediately,

TAKE PARTICULAR NOTICE.

Or. J. audresses all those who having injured themselves by private and improper indulgencies, that secret and solitary nabit which ruins both body and mind, unfitting them for either businesses a society.

These are some of the sad and melanoholy one cast produces up early habits of youth, viz: Weakness of the Back and Limus, Pains in the Hoad, Dunness of Sight, Loss of Muscalur Power, Paiplistion of the Heart, Dyspels, Nervous Iritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c.

MENTALLY.

MENTALLY, the fearful effects on the mind are much to be dreaded :—Less of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion to Society, Self-distrust, Love of Solitude, Timidity, &c., are some of the evil offects.

Thousands of persons of all ages, can now judge what is the cause of their decline in health, losing their vigor, becoming weak, puls, nervous and omasisted, have a singular appearance about the oyes, cough, and sympma of consumption.

YOUNG MEN

YOUNG MEN who have injured themselves by a certain practice, in delyed in when alone—a babit frequently learned from o'll companions, or at school, the effects of which are alphy felt, even when asleep, and if not cured, renders harriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hopes of his coun-

try, the deriting of his parents, should be snatched from all prospects and enjoyments of life by the consequences of deviating from the path of nature, and indulging as ertain secret habit. Su th persons must, before conten
