Ayer's CATHARTIC PILLS.

ARE YOU SICK, teel-le and complaining?

Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are fren the prelude to serious lliness. Some it of sickness is creeping upon you, and should be averted by a timely say of the right remedy. Take Ayer's Pills and cleanse out the discreted humors—purity the blood and let the fluids move of anosatructas in the fill again. They stimulate the lunctions of the body into vicerous activity, purity the system from dismass. A old settles somewhere in the body, and observations. These, in the body, and observation actual functions. These, in the body, and observation, outlering and disease. While on this condition, oppressed by the devangements, take Aver's 'alls, and see how directly they reastered the natural action of the system, and with it the body and teeling or health create. What is true and so apparent to this true and common complaint, is also true in many or the deep-santed and dangerous distempore. The same jurgative effect expels them. Caused by similar obstructions and derangements of the natural montions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ been when suffering from the di-orders they cure.

Sustements from leading physicians is some of the principal clides, and from other well known public per our.
