A WARNING TO BOYS .--- A little boy was bad ly injured yesterday by falling from a carriage to which he was clinging without the knowledge of the driver while it was passing along Ridge road towards Camp Curtin. Injuries, more or less serious, from the same cause, are frequent and should effectually stop a practice but too common among juveniles.

HANDSOME PRESENT TO CAPT. WALTMAN .--- A beautiful horse and stand of colors was presented to day to Capt. J. H. Waltman, of Greider's mounted Rangers, attached to Colonel Williams regiment, "Lochiel Cavalry," by Mr. B. M. Greider. The presentation took place at the hotel of Quartermaster Sherbahn, in the borough of Mt. Joy. This is a compliment well merited by Capt. Waltman, than whom there is not a braver or better officer of his grade in the service.
