Medical.

DR. JOHNSON
BALTIMORE
LOCK HOSPITAL.

HAS discovered the most certain, speedy and effectual remedy in the world for

DISEASES OF IMPRUDENCE.

RELIEF IN SIX TO TWELVE HOURS.

No Mercury or Noxious Drugs.

☞ A CURE WARRANTED, OR NO CHARGE, IN FROM ONE TO TWO DAYS. ☜

Weakness of the Back or Limbs, Strictures, Pains in the Loins, Affections of the Kidneys and Bladder, Organic Weakness, Nervous Debility, Decay of the Physical Powers, Dyspepsia, Languor, Low Spirits, Confusion of Ideas, Palpitation of the Heart, Timidity, Tremblings, Dimness of Sight or Giddiness, Disease of the Stomach, Affections of the Head, Throat, Nose or Skin—those terrible disorders arising from the indiscretion or Solitary Habits of Youth—those dreadful and destructive practises which produce constitutional debility, render marriage impossible, and destroy both body and mind.

YOUNG MEN.

Young men especially who have become the victims of solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men of the most exalted talent and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence, or waked to ecstasy the living lyre, may call with full confidence.

MARRIAGE.

Married persons, or those contemplating marriage, being aware of physical weakness, should immediately consult Dr. J., and be restored to perfect health.

ORGANIC WEAKNESS

Immediately cured and full vigor restored.

He who places himself under the care of Dr. J., may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician.

☞ Office No. 7 South Frederick street, Baltimore, Md., on the left hand side going from Baltimore street, 7 doors from the corner. Be particular in observing the name or number, or you will mistake the place. Be particular for *Ignorant, Trifling Quacks*, with false names, or *Paltry Humbug Certificates*, attracted by the reputation of Dr. Johnson, lurk near.

All letters must contain a Postage Stamp, to use on the reply.

DR. JOHNSTON.

Dr. Johnson member of the Royal College of Surgeons, London, graduate from one of the most eminent Colleges of the United States, and the greatest part of whose life has been spent in the Hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known. Many troubled with ringing in the ears and head when asleep, great nervousness, being alarmed at sudden sounds, bashfulness, with frequent blushing, attended sometimes with derangement of mind were cured immediately.

TAKE PARTICULAR NOTICE.

Dr. J. addresses all those who having injured themselves by private and improper indulgencies, that secret and solitary habit which ruins both body and mind, unfitting them for either business or society.

These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c.

MENTALLY.

MENTALLY, the fearful effects on the mind are much to be dreaded:—Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion to Society, Self-distrust, Love of Solitude, Timidity, &c., are some of the evil effects.

Thousands of persons of all ages, can now judge what is the cause of their decline in health, losing their vigor, becoming weak, pale, nervous and emaciated, have a singular appearance about the eyes, cough, and symptoms of consumption.

YOUNG MEN

who have injured themselves by a certain practice, indulged in when alone—a habit frequently learned from evil companions, or at school, the effects of which are nightly felt, even when asleep, and if not cured, renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hopes of his country, the darling of his parents, should be snatched from all prospects and enjoyments of life by the consequences of deviating from the path of nature, and indulging in a certain secret habit. Such persons must, before contemplating

MARRIAGE,

effect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed without these, the journey through life becomes a weary pilgrimage; the prospect hourly darkens to the view; the mind becomes shadowed with despair, and filled with the melancholy reflection that the happiness of another becomes blighted with our own.

DR. JOHNSON'S INVIGORATING REMEDY FOR ORGANIC WEAKNESS.

☞ By this great and important remedy, Weakness of the Organs are speedily cured, and full vigor restored.

Thousands of the most nervous and debilitated who had lost all hope, have been immediately relieved. All impediments to Marriage, Physical or Mental Disqualification, Nervous, Trembling, Weakness or Exhaustion of the most fearful kind, speedily cured.

TO STRANGERS.

The many thousands cured at this Institution within the last twelve years, and the numerous important Surgical operations performed by Dr. J., witnessed by the reporters of the papers, and many other persons, notices of which have appeared again and again before the public, *besides his standing as a gentleman of character and responsibility*, is a sufficient guarantee to the afflicted.

DISEASES OF IMPRUDENCE.—When the misguided and imprudent votary of pleasure finds he has imbibed the seeds of this painful disease, it too often happens that an ill-timed sense of shame or dread of discovery deters him from applying to those who, from education and respectability can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their appearance, affecting the head, throat, nose, skin, &c., progressing on with frightful rapidity, till death puts a period to his dreadful sufferings by sending him to "that bourne from whence no traveler returns." It is a melancholy fact that thousands fall victims to this terrible disease, owing to the unskillfulness of ignorant pretenders, who, by the use of that *deadly poison, mercury*, ruin the constitution and make the residue of life miserable.

To STRANGERS.—The Doctor's Diplomas hang in his office.

SPECIAL PROCLAMATION BY THE GOVERNOR.

OFFICE SECRETARY OF THE COMMONWEALTH,
Harrisburg, Sept. 18, 1861.

The following "provisions in case any of the militia or volunteers shall be in actual service at the time of the general election" are published for the benefit of those citizens of Pennsylvania to whom they may apply in connection with the general election to be held on the second Tuesday of October, A. D. 1861:

Whenever any of the citizens of this Commonwealth qualified as hereinbefore provided, shall be in any actual military service in any detachment of the militia or corps of volunteers, under a requisition from the President of the United States, or by the authority of this commonwealth, on the day of the general election, as aforesaid, such citizens may exercise the right of suffrage at such places as may be appointed by the commanding officer of the troop, or company, to which they shall respectively belong, as fully as if they were present at the usual place of election. *Provided*, That no member of any such troop or company, shall be permitted to vote at the place so appointed, if at the time of such election he shall be within ten miles of the place at which he would be entitled to vote, if not in service as aforesaid.

The proceedings for conducting such elections shall be as far as practicable, in all respects the same as are herein directed in the case of general elections, except that the captain or commanding officer of each company or troop shall act as judge, and that the first lieutenant or officer second in command, shall act as inspector, at such election, so far as shall relate to such company or troop; and in case of the neglect or refusal of such officers, or either of them, to serve in such capacity, the officer or officers next in command, in such company or troop, shall act as judge or inspector as the case may be.

The officer authorized to perform the duties of judge, shall administer the proper oath or affirmation to the officer who shall act as inspector, and as soon as such officer shall have been sworn or affirmed, he shall administer the proper oath or affirmation to the officer whose duty it shall be to act as judge, and such officer acting as judge shall appoint two persons to act as clerks, and shall administer to them the proper oaths or affirmations.

The several officers authorized to conduct such elections shall take the like oaths or affirmations, shall have the like powers, and they, as well as other persons who may attend, vote, or offer to vote, at such election, shall be subject to the like penalties and restrictions as are declared or provided in this act, in the case of elections by the citizens at their usual places of election.

Within three days after such election, the judges thereof shall respectively transmit through the nearest post office, a return thereof together with the tickets, tally lists of voters, to the prothonotary of the county in which such electors would have voted, if not in military service. And the said judges shall transmit another return of such election to the commanding officer of the regiment or battallion, as the case may be, who shall make a general return under his hand and seal, of the votes of all the companies or troops under his command and shall transmit the same through the nearest post office to the secretary of the commonwealth.

It shall be the duty of the prothonotary of the county, to whom such returns shall be made, to deliver to the return judges of the same county, a copy certified under his hand and seal, of the return of votes so transmitted to him by the judges of the election in the companies or troops aforesaid.

The return judges of the proper county or counties, in which the volunteers or militia men aforesaid may have resided at the time of being called into actual service as aforesaid, shall meet on the second Tuesday in November next after the election. And when two or more counties are connected in the election, the meeting of the judges from each county shall be postponed in such case until the Friday following the said second Tuesday in November.

The return judges so met, shall include in their enumeration the votes so returned, and thereupon shall proceed in all respects in the like manner as is provided in this act, in cases where all the votes shall have been given at the usual place of election.

ELI SLIFER,
Secretary of the Commonwealth.

BY TELEGRAPH.

From our Morning Edition.

Important from Kentucky.

THE UNION TROOPS IN POSSESSION OF THE LOCKS ON GREEN RIVER.

Occupation of Cynthiana by Federal Troops.

JAMES B. CLAY IN THE LOUISVILLE PRISON.

BUCKNER'S TROOPS ATTACK A UNION CAMP.

The Rebels Get Badly Whipped.

LOUISVILLE, Sept. 28.

Hon. Horace Maynard, of Tennessee, is at Frankfort. Agents are now stationed along the Ohio river to prevent the smuggling of arms into Kentucky.

The *Bulletin* says five hundred troops from Terre Haute, Ind., had gone up Green river, Kentucky, and taken possession of locks No. 1 and 3. One shot was fired at them and the fire was returned, killing their assailant.

Many Union families have fled to Evansville from the Green river country. A regiment of cavalry from Ohio has gone into camp near Covington, on the Lexington pike.

Cynthiana, Ky., is occupied by Federal troops, and national flags were thrown to the breeze from the Louisville Hotel and the Galt House to-day. Seventeen secessionists, among them James B. Clay and Col. F. C. Harris, of Madison, Ky., were brought to Louisville this afternoon and committed. A writ of habeas corpus in Clay's case has been issued, returnable before Judge Catron on Monday. Denson Ormsly, a lawyer of this city, was arrested, but discharged on taking the oath of allegiance.

It is reported that some of Buckner's men attacked the Union camp on Mud river, forty miles from Bowling Green, under Col. Hawkins. The confederates were badly whipped, the Union men coming to Hawkins aid from all directions with shot-guns and Kentucky rifles.

From Washington.

THE REBEL BATTERIES ON THE POTOMAC.

Probable Release of Mayor Brown, of Baltimore.

WASHINGTON, Sept. 28.

It is conclusively ascertained that the rebels have batteries erected at all important points on the Virginia side of the Potomac, from Acquia Creek to the Occoquan.

All is quiet here to-day, and also on the other side of the river.

A large Union meeting is going on to-day in Anne Arundel county, Maryland.

Secretary Chase has gone to New York and Boston to make further arrangements about the new loan.

Efforts are being made for the release of Mayor Brown, of Baltimore from Fort Lafayette, and there is little doubt that he will be released.

The Baltimore *Evening Star*, heretofore inclined to secessionism, has come out decidedly for the Union.

REPORTS FROM THE POTOMAC.

The *National Republican* of this morning says:

We were yesterday informed by the captain of a coal schooner, who had just arrived, that on Thursday, while on his voyage up the Potomac, and being a short distance below Freestone Point, he suddenly found himself in the midst of a battle between the United States war steamers and a lot of rebels on shore.

He stated that the shells were flying so thick and fast about him, that he deemed it prudent to get out of the way as fast as possible. He is confident that he saw one of the steamers in a sinking condition.

On Wednesday night while the propeller Planet was near Matthias Point, an accidental shot from the Delaware passed through her hull, and caused her to sink almost immediately. The crew was all saved.

The Reliance came up to the navy yard, on Thursday morning, from the lower Potomac, bringing with her a Lieutenant of the rebel army, who had deserted, and by means of a raft succeeded in reaching a schooner near Evansport.

He reports that there are heavy batteries concealed by the brush, along the river, one of which is at Cockpit Point. From ten to fifteen thousand troops are stationed along the Potomac, among whom there is great dissatisfaction.

Several contrabands, lately picked up and also brought up by the Reliance, make similar statements, and say that the rebels were busy all day Sunday hauling cannon to Freestone Point.

The Lieutenant has gone down the river in another boat, to point out the precise localities of the rebel batteries.

The flag ship Yankee, Com. Gillis, which has been cruising off Point Look Out, camp up to the navy yard yesterday. To avoid the rebel batteries, on Thursday night she put out her lights, and hugged the Maryland shore.

LATER FROM MISSOURI.

Depredations and Plunderings of the Rebels.

THE SECESSIONISTS STEAL THE NEGROES OF THE UNIONISTS.

GEN. FREMONT AT JEFFERSON CITY.

The Rebels Preparing to Make a Stand at Lexington.

JEFFERSON CITY, Sept. 28.

A messenger from Linn creek last night says that the rebel depredations and plunderings continue uninterrupted there, and that everything in the place has been carried of. It is reported that the secessionists are stealing the negroes of Unionists. Senators Miles and Vernon and Rev. Mr. Arnst, a Methodist, are among the leading spirits.

Genl. Pope and his staff are here and Col. L. Mulligan and his officers, it is rumored, will arrive to-morrow. All intelligence is kept very close since the arrival of Gen'l. Fremont, who goes to camp with his staff and numerous retinues to-morrow. When he will leave here is uncertain, probably not before Tuesday or Wednesday of next week. He was serenaded last night. A spy who attempted to escape from the city on an up train this evening was arrested. The opinion seems to be gaining ground that the rebels intend to remain at Lexington for some time and prepare for a good engagement there.

Many persons say if Fremont is energetic and rapid in his movements that he can cut off Price's chances of escape and obtain a brilliant victory.

KENTUCKY LEGISLATURE.

FRANKFORT, Ky., Sept. 28.

The Senate Committee report the arrest of Messrs. Ewing, Silvertooth and Irvan, members of the Legislature as illegal and unwarrantable, and have procured their release. The thanks of the General Assembly were voted to Ohio, Indiana and Illinois for their aid in arresting the invasion of Kentucky.

PROF. O. J. WOOD'S

RESTORATIVE CORDIAL

AND

BLOOD RENOVATOR.

Is precisely what its name indicates, for while pleasant to the taste, it is revivifying, exhilarating and strengthening to the vital powers. It also revivifies, reinstates and renews the blood in all its original purity, and thus restores and renders the system invulnerable to attacks of disease. It is the only preparation ever offered to the world in a popular form so as to be within the reach of all.

So chemically and skillfully combined, as to the most powerful tonic, and yet so perfectly adapted so AS TO ACT IN PERFECT ACCORDANCE WITH THE LAWS OF NATURE, AND HENCE SOOTHE THE WEAKEST STOMACH and rose up the digestive organs, and allay all nervous irritation. It is also perfectly exhilarating in its effects, and yet it is never followed by lassitude or depression of spirits. It is composed entirely of vegetables, and those thoroughly combining powerful tonic and soothing properties, and consequently can never injure. As a sure preventive and cure of

CONSUMPTION, BRONCHITIS, INDIGESTION, DYSPEPSIA, LOSS OF APPETITE, FAINTNESS, NERVOUS IRRITABILITY, NEURALGIA, PALPITATION OF THE HEART, MELANCHOLY, HYPOCHONDRIA, NIGHT SWEATS, LANGUOR, GIDDIDESS, AND ALL THAT CLASS OF CASES SO FEARFULLY FATAL CALLED FEMALE WEAKNESS, AND IRREGULARITIES.

THERE IS NOTHING ITS EQUAL.

Also, Liver Derangements or torpidity, and liver complaints, Diseases of the Kidney, or any general derangement of the Urinary organs.

It will not only cure the debility following CHILLS and FEVER, but all prevent attacks arising from Miasmatic influences, and cure the diseases at once, if already attacked.

Travelers should have a bottle with them, as it will infallibly prevent any deleterious consequences following upon change of climate and water.

As it prevents costiveness, strengthens the digestive organs, it should be in the hands of all persons of sedentary habits,

Ladies not accustomed to much out-door exercise should always use it.

Mothers should use it, for it is a perfect relief, taken a month or two before the final trial, she will pass the dreadful period with perfect ease and safety.

THERE IS NO MISTAKE ABOUT IT.

THE CORDIAL IS ALL WE CLAIM FOR IT!!!

Mothers Try It!!

And to you we appeal, to detect the illness or decline not only of your daugters before it be too late, but also your sons and husbands, for while the former from false delicacy, often go down to a premature grave, rather than let their condition be known in time, the latter are often so mixed up with the excitement of business, that if it were not for you, they too, would travel in the same downward path, until it is too late to arrest their fatal fall. But the mother is always vigilant, and to you we confidently appeal; for we are sure your never-failing affection will unerringly point you to PROF. WOOD'S RESTORATIVO CORDIAL AND BLOOD RENOVATOR as the remedy which should always be on hand in time of need.

O. J. WOOD, Proprietor, 444 Broadway, New York, and 114 Market Street, St. Louis, Mo., and sold by all good Druggists. Price One Dollar per Bottle.
