Troomab cannot be said of your Pills for the cure of Costweness. If others of your fraternity have found them as efficacious as I have, they should join me in gro-claiming it for the neuclit of the multitudes who suiter from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe Costweness to originate in the liver, but your Pills affect that origin and cure the disease.

From Mrs. E. Stuart, Physician and Midwite, Boston, J.
