DE. Avine: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her han s and feet that had proved incurable for years. Her mather has been long grieviously affiliated with blotches and pimples on her kin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

[From Dr. E. W. Cartwright, New Orleans.] Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which make them invaluable to as in the daily reatment of disease.

Too much cannot be said of your Pills for the cure of Contiveness. If others of your Internity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. Great Cure

DR. LELLAND'S ANTI RHEUMATIC BAND,

IS THE ONLY KNOWN REMEDY FOR Rheumatism, Gout and Neuralgia^e AND A SURE CURE FOR

All Mercurial Diseases.

It is a conveniently arranged Band, containing a met is cated compound, to be worn around the Waist, without injury to the most delicate persons, no change in habits of living is required, and it entirely removes the disease from the system, without producing the injurious effects arising from the use of powerful internal medicines which weaken and destroy the constitution, and give temporary relief only. By this treatment, the medical properties contained in the Band, come in contact with the blood and reaches the disease, through the pores of the skin, effecting in every instance a perfect cure, and restore the parts afflicted to a heatity condition. This Band is also a most powerful Arm-Marcutaria agent, and will entirely relieve the system from the permicious effects of Mercury. Moderate cases are cured in a few days, and we are constantly receiving testimonials of its afflicacy in aggravated cases of long standing.
