

Daily Telegraph

HARRISBURG, PA. Friday Afternoon, October 4, 1861.

PRINTING MATERIAL FOR SALE.

Two Power Presses, old Adams Patent. Two Iron Hand Presses, one nearly new, and a large amount of second hand printing material, will be sold at exceedingly low prices...

Agent at York.

Mr. J. S. BOYER has been appointed the sole agent for the TELEGRAPH in the borough of York, and will serve it regularly to subscribers at an early hour every morning.

CLEANING THE RESERVOIR.

Workmen are now engaged cleaning the reservoir, which the presume is one of the causes for the muddy appearance of the water in our public hydrants for the last few days.

THE FIRST CITY ZOUAVES.

Whose departure on an excursion trip to Lebanon, we noticed yesterday—returned home last night, and speak very favorably of the courteous and hospitable manner in which they were entertained by the Lebanonites.

AFTER HIM.

One of the perpetrators of the recent outrage on Mr. Luther Simmons, a notice of which appeared in last Saturday's TELEGRAPH, has been discovered, and a warrant issued for his arrest. Officer Campbell went after him last night.

RITIOUS.

The interesting ceremonies attending the "Forty hours Devotion" will commence next Sunday in St. Patrick's (Catholic) Church. The Rt. Reverend Bishop Wood, of Philadelphia, will be present, and at 10 o'clock A. M. administer confirmation to a large number of persons, and preach on the occasion.

A HARRISBURG PROMOTED.

The numerous friends and acquaintances of Lieut. Frank Davies of this city will be glad to learn that he has recently been promoted to a captaincy in the 16th U. S. Infantry. This honor was conferred upon Lieut. Davies for his bravery and distinguished services at the battle of Bull Run.

BACK AGAIN.

Russell, the famous correspondent of the London Times, whose passage through our city westward was noticed in the TELEGRAPH a few weeks ago, again passed through here yesterday, on his return to Washington. He visited the West ostensibly on a sporting expedition, and we see by some of our exchanges that he was recently fined \$20 for shooting prairie hens on Sunday.

THE STIFF BRACING AIR.

That we experience mornings and evenings now-a-days, creates an unusual stir among householders getting things in "ship shape" order for the rigors of the long and dreary winter. This activity of course extends itself to the stove-smiths, and to none more so, than to the establishment of George Black, in Stehley's building adjoining our office. His services appear to be in constant demand in "setting up" pipe, stoves, &c., while his Adjutant, "Black Tom," is just as busy in the polishing department. Our citizens desiring anything in the stove line, would do well to drop into Black's establishment.

POLICE—Before the Mayor.

Two hard looking "drunks" were arraigned before the Mayor this morning, and discharged by promising to leave the city.

Before Justice Kline.

John M'Carthy—a fighting Irishman—was up for drunkenness and disorderly conduct. Sent to prison for twenty days.

Kate Householder and Elizabeth Mockerman.

Two of the "frail sisterhood"—were arraigned for drunkenness and "lying around loose" at night. The former was sent to prison for thirty days and the latter for five days.

Before Justice Bader.

Leo Heister stood charged with the offence of drunkenness and disorderly conduct. Sent to prison.

CAPT. JACOB M. EYSTER.

The Gazette, published in Delaware, Ohio, thus notices our townsman, Capt. Jacob M. Eyster, of the 18th Regiment, U. S. Infantry:

ROUEN ARMY.

Capt. Eyster has just returned from Rouen, where he was informed by Col. Carleton that he had received the invoice for the full uniform (dress and undress) and camp equipments for the 18th Regiment United States Infantry; and that as soon as they arrived the Captain should have a full equipment for his company in Delaware, which by the way, has been assigned the first post of honor in the 2d Battalion, being company A.

A STATED MEETING of the Washington Hose Company will be held at their hose house, this (Friday) evening, at 7 1/2 o'clock. Punctual attendance is required.

RECOVERED THEIR UNIFORM.—Capt. Isaac S. Waterbury's company of volunteers stationed at Camp Cameron, received their uniforms and other outfit yesterday morning.

MOUNT VERNON.—A special meeting for the transaction of important business will be held by the Mount Vernon Hook and Ladder Company at 7 1/2 o'clock this evening, at their Truck House.

JACK FROST.—The first frost of the season, in this neighborhood, was visible to the naked eye this morning. Although somewhat of a stranger now, it will not be long until "Jack" is a regular morning visitor.

THE JUVENILE CONCERT TO-NIGHT.—Our readers should not fail to remember that the second juvenile concert, under the direction of Mr. Kemmerer, takes place this evening at the Locust street Methodist church. One hundred and fifty young misses, of this city, will participate in the vocal performance, assisted by several "star" singers from Lancaster city. The programme comprises rounds, choruses, glee, &c., all of which will doubtless be very interesting. Admission ten cents.

THE COLDER FAMILIES.—The following is a correct copy of the muster roll of the Colden Families, company B. T. A. Scott regiment now stationed along the lower end of the Northern Central Railroad:

Notice.—Numerous complaints having been made to the proper authorities, that a large number of the stop-cocks extend several inches above the level of the pavements throughout the city, which is annoying and dangerous to pedestrians, especially at night time.

The duty of the stop-cocks is to regulate the flow of water in the pipes, and it is therefore hereby given that Section 16 of an ordinance passed by Council March 22, 1841, will be rigidly enforced at the expiration of that time against all persons who fail to comply with said ordinance.

WHAT ARE WE STRUGGLING TO SUSTAIN?

The same principle that was planted upon this soil in landing the Pilgrim fathers, who for the privilege of doing as their conscience dictated, they threw their backs upon an unknown sea, to fly the banner of a blessed liberty; that principle is the living genius of our Government, and finds its opponents to-day in that class of men that would be dictators or Kings, or would have principle smothered in the success of party, and corrupt all the avenues of truth; we will sustain the Government as it is, "where every tiller of the soil is a Prince and no ruffian Lord Mars springs fair promises;" here we will remain until that Ulrich & Bowman's cheap store is at the south east corner of Front and Market streets.
