Ayer's CATHARTIC PILLS

AREYOU SICK, feeble and complaining?

Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be everted by a timely use of the right remedy. Inke Ayer's Pills and cleanse out the disordered humors—purity the blood and let the fluids move on anobstructed in health again. They stimulate the functions of the body into v igorous activity, purity the system from disease. A cold settles somewhere in the body, and obstructists instinal functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant leeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effec expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public persons.

From a Forwarding Merchant of St. Louis, Feb. 4, 1856. Dr. Aver: Your Pills are the parson of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her han s and feet that had proved incursable for years. Her mother has been long grieviously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

[From Dr. E. W. Cartwright, New Orleans.] Your tills are the priace of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and electual in their action on the bowels, which make them invaluable to us in the daily reatment of disease.

DEAR BRO. AVER: I cannot answer you what com-plaints I have curred with your Pills better than to say all that we ever treat with a puryative medicine.
