Ayer's CATHARTIC PILLS.

ARE YOU SICK, feeble and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some it of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pils and cleanse out the disordered humors—purity the blood and let the finide move on unoustructed in health again. They stimulate the functions of the body into v igorous activity, purify the system from disease. A cold settles somewhere in the body, and obstructsits natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering and disease. While in this condition, oppressed by the derangements, take Ayer's rills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seased and dangerous distempers. The same purgative effec expels them. Caused by similar obstructions and derangements of the natural functions of, the body, they are rapidly, ard many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public persons.

From a Forwarding Merchant of St. Louis, Feb. 4, 1856. Dr. Ayre: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her han s and feet that had proved incurable for years. Her m ther has been long grieviously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

ARA MORGRIDG E.

AS A FAMILY PRIVICE [From Dr. E. W. Cartwright, New Orleans.]

Your Fills are the prioce of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowlets, which make them invaluable to us in the daily reatment of disease.

HEADACHE, SICK HEADACHE, FOUL STOMACE. (From Dr. Edward Boyd, Baltimore.)

DEAR BNO. ATER: I cannot answer you what com-plaints I have cured with your Pills better than to say all that we ever treat unth a puryative medicine. I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your Pills afford us the bost we have, I of course value them

highly.

PHTEBURG, Pa., May 1, 1855.

DE. J. C. AYER—Sir: I have been repeatedly cured of he worst headache anybody can have, by a dose or two your Pills. It seems to arise from a foul stomach, which they cleanse at once.

Yours with great respect, ED. W. PREBLE, Clerk of Steamer Clarion.

BILIOUS DISORDERS.-I.A ER COMPLAINTS. [From Dr. Pheodore Bell, or New York City.] Not only are your Pills and rably adapted to their purpose as an aperient, but I ind their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of Billious Complaints than any one-remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR, Washington, D. C., 7th Feb. 1856.

sir: I have used your rills in my general and hospital practice over since you hade them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided consequently they are an almirable remedy for derangement of that organ, indeed, thave seldom found a case of Billons Disease so obstacke that it did not readily yield tathem. Featernally variety to them. Fraternally yours,
A! UNKO BALL, M. D.,
Physician of the Marine Hospital.

DYSENTERY DIABRESTA RELAY, WORMS, [From Dr. J. G. Green, of Chicago.]

Your Pills have had a ong trister my practice, and I hold them in esteem as one of the uest aperients I have ever found. Their atterative effect upon the fiver makes them an excellent remedy, when given in small doese for Bittens Dysoniary and Diarrhoea. Their sugar-coating makes them very acceptable and convenient for the use of women and children. DYSPRESIA, IMPURITY OF THE BLOOD.

Dr. Ayrs: I have used your Pills with extraordinary

my briends.
WARMAW, Wyoming Co., N. Y., Oct. 24, 1855.

Loss [From Dr. J. P. Waugun, Mourreal, Canada.]

Too much cannot be said of your Frile for the cure of tostivones. If others of your fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benealt of the multitudes who suffar from that complaint, which, although bad enough in itself, is the progenitor of others that are worso. I believe Costiveness to originate in the liver, but your Pilis affect that organ and ourse the disease.

From Mrs. & Stuart, Physician and Midwite, Boston, I i find one or two large doses of your Pills, taken at the proper time, are exceedent promotives of the Natural ceretion when wholly or partially suppressed, and also cry dectual to Obbans in the Stomach and Errar Works. They are so more the best on view to the Natural They are so more the best on view to the Natural Control of the Natu They are so made the best physic we have that z econ-mend no other to my patients.

PULASKI-HOUSE, SAVANDAN, Ga., Jan. 6, 1856.

HONORED Sin: I should oe augrateful for the relief your skill has brought me if faid not report my case to you. A cold settled in my limbs and brought on excruciating Mouragine Panes, which ended in Ghronic Kheumatism. Notwithstanding I mad the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Makonzie, I tried your Pills. Their officets were slow but sure. By persever hig in the use of them, I am now entirely well.
