Ayer's CATHARTIC PILLS

Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are extant the prelude to serious illiness. Some fit of sixtness is cressing upon you, and should be averted by a timely see of the right remedy. Dake Ayers Pills and cleanse east the disordered humors—purity, the blood and let the fiddle move or disobstructed in health again. They stimute the tunctions of like body into v igorous activity, purity the system from disease. A cold settles somewhere in the hody, and obstructait matural functions. These, if not fallewid, reach upon themselves and the surrounding organis, producing general aggravation, saffering and disease. While, in this condition, oppressed by the demangements, take Ayer wills, and see how directly they restore the natural action of the system, and with it the body in feeling of health again. What is true and so apparent in this trivial and common complaint, is also irue in many or the deep-seated and dangerous distempers. The same purgative effec expela them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these lills, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public persons. REYOU SICK, feeble and complaining?
