Ayer's CATHARTIC PILLS

A REYOU SICK, feeble and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? There symptoms are often the prelude to serious liness. Some fit of sickness is creeping upon you, and should be averted by a timely spe of the right remedy. Take Ayer's Pills and cleanes out the disordered humors—purity the blood and let the saids move or unonstructed in health again. They stimutate the functions of the body into v igorous activity, purity the system from disease. A cold settles somewhere in the body, and obstructaits natural functions. These, if not relieved, react upon themselves and the sourcounding organs, producing general aggravation, suffering and disease. While in this condition, oppressed by the derangements, take Ayer's rills, and see how directly they restore the natural action of the system, and with it the hou pant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in seme of the principal cities, and from other well known public persons. REYOU SICK, feeble and complaining?

From a Forwarding Merchant of St. Louis, Feb. 4, 1856. DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her han s and feet that had proved incurable for years. Her mather has been long grieviously afficted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.
