THE ENEMIES OF FREMONT are again at work predicting his immediate overthrow because the cept those of the Border States who sympathise two prisoners on Thompson's farm yesterday. Secretary of War is in St. Louis. They have with treason, and all the property of the aliens no reason for making such predictions. The aforesaid in the Confederate States, consisting of clamor against the General was so terrible that lands, stock, bonds, debts and property of whatnothing remained but for Secretary Cameron to ever description within the limits of the said go in person to Missouri and view the situation Confederacy are confiscated. "All the citizens of of affairs. No sensible person has any idea that Delaware," Maryland, Kentucky and Missouri has an opportunity to clear Missouri of the from the operation of the act. Only the loyal rebels. Of course, with the immense pressure adherents of the Union in these four states are against him, if he makes a failure he will be at liable, by the law, to have their Southern 'posonce recalled after that fact shall have become sessions and claims seized for the use and supknown

communication forwarded to the War Department by Ellis B. Schnable, now an inmate of Fort Latayette chattyd with being a traitor to his country. going the roun and the provident of the second system and now only refer to it to declare that Mr. Schnable was, and doubtless still is, one of the most shamefully corrupt and depraved men in the count y-devoid of moral reputation, lacking political integrity, and utterly deficient in personal probity and virtue. He should be held in confinement at Fort Lafayette as of too leorous a character to be allowed to roam the carth again, and the Secretary of War did well to refuse all communication with him.

Gov. A. G. CUATIN has been absent from the State capital for several days, on a visit of busi ness to his former home, Bellefonte. The Central Press thus refers to his presence in Centre county :

Our honored fellow townsman, Gov. A. G. Curtin, returned to this place to day, where he will remain a few days for the purpose of recruiting his health. He was welcomed back by a host of personal and political friends, for in this community at least his patriotism and bility. A performance of business integrity are best understood and appreciated. We are pleased to see the Governor look so well, considering the uncessing labors which are his. No chief magistrate of our Commonwealth ever entered upon the responsible duties of the office under more trying circumstances with only six thousand troops who are able to than those which surrounded Mr. Curtin in the perform active duty and are available. Between
