Scrofula and Scrofulous Affection such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.

OAKLAND, Ind., 6th June, 1859.

J. C. Ayer & Co., Gents: I feel it my duty to acknowladge what your Farsaparilla has done for me. Having inberited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it the open of the book out on my head and covered my scalp and ears with one sore, which was painful and leathsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejoiced to read in the dospel Messenger that you had prepared an alternative (Sarsaparilla,) for I knew from your reputation that any thing you made must be good. I sent to Cincinnati and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. New and healthy skn soen began to form under the scab, which after a while foll off my skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the a cettee of the age, and remain ever gratefully. Yours, 'Yours,' Affeked B; Talley.

St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head

Ring worm, Sore Eyes, Dropsy.

Dr. Robert M. Preble writes from Salem, N. Y., 12th
Sep., 1859, that he has cured an invectrate case of Dropsy, which threatened to terminate fatally, by the persevering use of our Sarsaparilla, and also a dangerous atlack of Malignant Erysipelas by large doses of the samesays he cures the common Eruptions by it constantly.

Bronchocele, Goitre or Swelled Neck. Zebulon Sloan of Prospect, Texas, writes: 'Three bottles of your Sarsaparilla cured me from a Gerrar—a hideous swelling on the neck, which I had suffered from over two years."

Leucorrhosa or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases.

Dr. J. B. S. Channing, of New York City, writes; "I most cheerfully cumply with the respect of your agent in saying I have found your saraaparilla a most excellent alternative in the numerous complaints for which we employ such a remedy, but especially in Female Diseases of the Scrofulous disthesis." I have cured many inveterate cases of Lenocrypea by it, and some where the complaint was caused by ulceration of the uterus. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements."

Edward S. Marrow, of Newbury, Als., writes, "A dangerous ovarian tumor on one of the females in my tamily, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but extipation could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains." Uterine Ulceration, Female Diseases.

Syphilis and Mercurial Disease.

Syphilis and Mercurial Disease.

New Orleans, 25th August, 1959.

Dr. J. C. Aver ; Sir. I cheerfully comply with the request of your agent, and report to you some of the effects I have cared with it, in my practice, most of the complants for which it is recommended, and have found its effects truly wonderful in the cure of Veneral and Mercurial Disease. Une of my patients bad syphilitic olers in his threat, which were consuming his palate and the top of his mouth. Your Sarsaparilla, steadily taken, cured him in five week. Another was attacked by secondary symptoms in his mose, and the ulceration had saten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla: the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffered exercuciating vain in her joints and homes. She, too, was cured entirely by your Sarsaparilla in a flow weeks. I know from its formula, which you agont gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkeble results with it have not surprised me.

Praternally yours,
