AYER'S SARSAPARILLA FOR PURIFYING THE BLOOD.

ND for the speedy cure of the sub-joined varieties of Disease : Scrofula and Scrofulous Affection such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.

OAKLAND, Ind., 6th June, 1859.

J. C. AYER & Co., Gents: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofalous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulce's on my hands and arms; sometimes turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond desoription. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejoiced to read in the Gospel Messonger that you had prepared an olternative (Sarsaparilla,) for I knew irrow your, reputation that any thing you made must be good. I sent to Cheinnati and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. New and healthy skn soen began to form under the scalp which after a while fall off my skin is now clear, and I know by my feelings that the disease has gone from my system. You cro well believe that I feel what I am saying when I tell you, that I hold you to be one of the a ostles of the sge, and remain ever gratefully. Yours,

ALFRED B. TALLEY.

St. Anthony's Fire, Rose or Erysipelas, OAKLAND, Ind., 6th June, 1859.

St. Anthony's Fire, Rose or Erysipelas Tetter and Salt Rheum, Scald Head Ringworm, Sore Ryes, Dropsy.

Dr. Rooet M. Preble writes irom Salem, N. Y., 12th Sep., 1859, that he has cured an invetrate case of Dropey, which threatened to terminate fatally, by the persevering use of our Sarsapardia, and also a dangerous attack of Malignant Erysipelas by large doses of the same; says he cures the common Eruptions by it constantly.

Bronchocele, Goitre or Swelled Neck. Zebulon Sloan of Prospect, Texas, writes: 'Three botties of your Sarsaparilla cured me from a Gerrar—a hideous swelling on the neck, which I had suffered from over two years."

Leucorrhœa or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases.

Dr. J. B. S. Channing, of New York City, writes; "I most cheerfully comply with the respect of your agent in saying I have found your sarsaparilia a mo texcellent alternative in the numerous complaints for which we employ such a remedy, but especially in female Diseases of the Scrofulous diathesis. I have cured many inveterate cases of Leucorrhoa by it, and some where the complaint was caused by wiceration of the uterus. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements."

Edward S. Marrow, of Newbury, Ala., writes, "A dangerous coardan the word on one of the females in my family, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Sarsaparilia. Our physician thought nothing but extirpation could afford relief, but he advised the trial of your Sarsaparilia as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains." Uterine Ulceration, Female Diseases.

Syphilis and Mercurial Disease. NEW ORLEANS, 25th August, 1959.

Dr. J. C. Aten: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects I have calized with your Sarsaparilla.

I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of Veneral and Mercurial Disease. One of my patients had syphilitic ulcers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla, steadily taken, oured him in five week. Another was attacked by secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla: the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sanshive to the weather that on a damp day she suffered excruciating cain in her joints and bones. She, too, was oured entirely by your Sarsaparilla is a few weeks. I know from its formula, which, you agent gave me, that this Preparation from your laboratory must be a great remady; consequently, these truly remarkeble results with the best surprised me.

Rheumatism, Gout, Liver Complaint. Rheumatism, Gout, Liver Complements
Independence, Preston Co., Va., 6th July, 1869.
Dr. J. C. Ayre: Sir, I have been afflicted with a painful obronic Rheumatism for a long time, which baffled
the skill of physicians, and stock to me in spite of all the
remedies I could fir, until I tried your Sarsaparilla.
One bottle cured me in two weeks, and restored my gencral health so much that I am far better than before I
was attacked. I think it a wonderful medicine,
J. FREAM.

Jures Y. Getchell, of St. Leuis. writes: "I have been afflicted for years with an affection of the Liver, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken down man for some years from no ther cause than derangment of the Liver. My beloved pastor, the Rev. Mr. Expy, advised me to try your Sarsaparrills, because the said he knew you, and anything you made was worth trying. By the blessing of God it has cured me. I feel young again. The best that can be said of you is not half good enough."

Schirrus, Cancer Tumors, Enlargement,

Dyspepsia, Heart Disease, Fits. Epilepsy, Melancholy, Neuralgia,

Many remarkable cures of these affections have been made by the alternative power of this medicine. It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has been required by the necessities of the people, and we are confident that this will do for them all that medicine can do.

This is a remedy so universally known to surpage any other for the cure of throat and iung complaints, that it is useless here to nublish the evidence of its virtues. Its unrivalled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth.—
