AYER'S SARSAPARILLA

FOR PURIFYING THE BLOOD. A ND for the speedy cure of the sub-

Scrofula and Scrofulous Affection such as Tumors. Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all skin Diseases.

OAKLAND, Ind., 6th June, 1859.

J. C. Ayra & Co., Gents: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having oberited a scroful us infection, I have suffered from it in various ways for years. Sometimes it burst out in Utes s on my hands and arms; sometimes turned inward and distressed me at the stomuch. Two years ago it broke out on my head and covered my scalp and ears with one acre, which was painful and loathsome beyond description. I tyled many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rediced to read in the Guspel Messenger that you had prepared an ilternative (Sarsaparilla,) for I knew from your reputation that any thing you made must be good. I sent to Cinemnati and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. New and healthy skn seen began to form under the scab, which after a while fell off my whin is now clear, and I know by my feelings that the disease has gone from my system. You on well believe that I feel what I am saying when I tell you, that I hold you to be one of the alcostles of the age, and remain ever gratefully. Yours,

ALFRED B. TALLEY.

I have cured many inveterate cases of Leucorritons by it, and some where the complaint was caused by silveration of the silvers. The ulceration itself was soon cured. Nothing within my nowledge equals if it these female derangements."

Edward S. Marrow, of Newbury, Ala., writes, "A dangerous contrain tunnor on one of the females in my family, which had defied all the remedies we could employ, has at length been completely cured by your extract of Sarsaparilla. Our physician thought nothing but extripation outded afford relief, but he advised the trial of your analysis as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains." Uterine Ulceration, Female Diseases.

I tried every thing, and every thing failed to relieve me; and I have been a broken down man for some years from no ther cause than deuwwn man nor some years from no ther cause than de-rangment of the Lieur. My beloved pastor, the Rev, Mr. Espy, advised me to try your Sarsaparrilla, because he said he knew you, and anything you made was worth trying. By the bleasing of God it has cured me. I feel young again. The best that can be said of you is not half good enough."

Schirrus, Cancer Tumors, Enlargement, Ulceration, Caries and Exfoliation of the Bones.

A great variety of cases have been reported to us where cures of these formidable complaints have resultform the use of this remedy, but one space here will not admit them. Some of them may be found in our Amer can Almanac, which the agents below named are pleased to furnish gratts to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia.

Many remarkable cures of these affections have been made by the alternative power of this medicine. It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has been required by the necessities of the people, and we are consident that this will do for them all that medicine can do.

Coughs. Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the kelief of consumptive Patients in advanced Stages of the Disease

Of the Disease

This is a remedy so universall, known to surpage any other for the cure of throat and lung complaints, that it is useless here to publish the evidence of its virtues. Its univalled excellence for coughs and colds, and its trail wondernil cures of pulmonary disease, have made it snown throughout the civilized nations of the carth.—Few are the communities, or even families, among them who have not some personal experience of its effects,—some living trophy in their miles of its victory over the audite and dangerous disorders of the thrust and lungs. As all know the dreaduid fakulty of these disorders, and as they know, too, the effects of this remedy, we need not do more than to assure them that it has now all the virtue, that it did have when making the cures which have won so strongly upon the confidence of mankind.

## Holland Bitters

· DYSPEPSIA, Liver Complaint, Fever and Ague, &c.

The successful introduction and use of this celebrated Remedy has been the signal for a literal flood of compounds called "Bitters," offered in various forms, from a quart bottle to a five-gailon key, until this word "Bitters" is but another name for "grog," or some villanous whiskey mixture. But the really great relief derived from the minute dose, one teaspoonful, of our medicine, BERHAVE'S HOLLAND BITTERS.

and the entire absence of after prostration, has esta-blished for it a reputation which the host of imitations and counterfeits have failed to undermine. It is posi-tively a vegotable preparation, with barely sufficient pure spirits to preserve it.

It is a medicine of long-tried efficacy for Purifying
the Blood, so essential for the foundation of good
health and for correcting disorders of the stomach
