RECEIVED THEIR UNIFORMS. -- Capt. George W. P. Davis' company received their uniforms yesterday, and we presume will shortly be furnished with arms so as to enable them to enter public property.

DEATH OF A DAUPHIN COUNTY SOLDIER .- On last Monday, Wm. Mentzberger, attached to company G, 12th regiment, died at the Union Hotel, Washington. He was unmarried, aged about 20 years, and was a native of Middletown, this county.

THE JOURNAL OF Middletown, says that all the saw mills in that borough are doing a good business. Bills seem to be as plenty as in times of peace, and some of the mills are running day and night. The timber for the Harper's Ferry bridge was sawed at Middletown.

DAMAGE TO BOATS -During the terrible storm on Saturday, some twelve boats were stoved and sunk below Havre de Grace. Mr. Jacob Wilson's boat, of Middletown, loaded with lumber, was wrecked, and the top loading valued at about four hundreds dollars, sunk. The lumber belonged to Mr. Samuel Landis, also of Middletown. It is feared that several other boatmen of Middletown met with serious dis-

ASSAULT UPON AN OFFICER .--- A colored man named John Hillan was arrested by officer Campbell Monday night, for some misdemeanor, but while on the road to the lock-up, he showed sentation of which all the "thunder and smoke resistance, and in the scuffle which ensued, he of battle" are given by a mechanical contrifired a pistol at the officer, and effected his escape. Yesterday, however, he was recaptured by officer Campbell, and taken before the illustrations representing the progress of the Mayor, who sent him to prison'to answer.

l'HILADELPHIA is the seat of medical science in this country, and the test applied by the teachers of medicine in that city to a new remedy for rheumatism advertised in our paper, gives to it a recommendation which we do not remember to have ever seen attached to any medicine advertised. It will be taken by those aillieted with rheumatism, with confidence, and must become a family medicine.

DISTRESSING ACCIDENT .-- On Friday a week, Mr. Jacob Hoffa, of Frederick, Lebanon county, was out with a portion of his family gathering chestnuts, and had with him a gun, the trigger of which was caught by a twig, discharging the gun, the contents of which entered the body of his daughter Rebecca, an interesting girl, aged 16 years, 2 months and 12 days. She expired about three hours afterwards.

THE HEAVENS. -An interesting sight may now be observed before sunrise in the morning. Three of the heavenly bodies-Jupiter, Saturn and the moon-will appear to be within two or three degrees of each other. All are now in the Brant's Hall about the first of December, when constellation Leo, the two planets being scarce. our citizens will have an opportunity of fully judgly three quarters of a degree apart.
