PHOTOGRAPH GALLERY
NO. 724 ARCH STREET,
PHILADELPHIA.

One of the largest and most complete Galleries in the United States, where the best Pictures, known to the Photographic art, are taken at prices no higher than are paid for miserable caricatures.

THE PROPRIETOR, A PRACTICAL PHOTOGRAPHER, attends personally, every sitting,—and allows no picture to leave the Gallery unless it gives perfect satisfaction.

Daguerreotypes and Ambretypes, of absent or deceased friends, photographed to any required size, or taken on Canvass, life size, and painted in Oil by the best artists.

At this Gallery pictures can be taken in any weather—as perfect in cloudy days as when the sun shines.

Persons visiting the city are respectfully invited to examine our specimens, which for price and quality defy competition.

COMMENDATIONS:

From Hon. Lewis D. Campbell, M. C., Ohio.

My family and friends all concur in the opinion that the (Newell) Picture is mere life-like than anything they ever saw. My likeness has been repeatedly taken by different Artists in various ways, but I have never yet had one which presents so true to nature, all the features and expressions of countenance as this.

From Hon. E. Joy Morris, late Minister to Italy.

The exquisite finish, beauty and softness of your portraits, conjoined with their durability of color and faithfulness as likenesses, cannot fail to commend them to the attention and patronage of all who appreciate true art.

From Col. James Page.

Having occasion for a portrait, I procured one from Mr. Robert Newell, of the city of Philadelphia, a miniature in Oil Colors, under the new process discovered by him, and take great pleasure in expressing the satisfaction given me, not only by the accuracy of the likeness, but its artistic finish in all respects, and recommend him to the patronage of those disposed to encourage the beautiful art. Medical.

DR. JOHNSON
BALTIMORE
LOCK HOSPITAL.

HAS discovered the most certain, speedy and effectual remedy in the world for

DISEASES OF IMPRUDENCE,

RELIEF IN SIX TO TWELVE HOURS.

No Mercury or Noxious Drugs.

☞ A CURE WARRANTED, OR NO CHARGE, IN FROM ONE TO TWO DAYS.—⁶⁸

Weakness of the Back or Limbs, Strictures, Pains in the Loins, Affections of the Kidneys and Bladder, Organic Weakness, Nervous Debility, Decay of the Physical Powers, Dyspepsia, Languor, Low Spirits, Confusion of Ideas, Palpitation of the Heart, Timidity, Tremblings, Dimness of Sight or Giddiness, Disease of the Stomach, Eruptions of the Head, Throat, Nose or Skin—those terrible disorders arising from the indiscretion or Solitary Habits of Youth—those dreadful and destructive practises which produce constitutional debility, render marriage impossible, and destroy both body and mind.

YOUNG MEN.

Young men especially who have become the victims of solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men of the most exalted talent and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence, or waked to ecstasy the living lyre, may call with full confidence.

MARRIAGE.

Married persons, or those contemplating marriage, being aware of physical weakness, should immediately consult Dr. J. and be restored to perfect health.

ORGANIC WEAKNESS

Immediately cured and full vigor restored.

He who places himself under the care of Dr. J., may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician.

☞ Office No. 7 South Frederick street, Baltimore, Md., on the left hand side going from Baltimore street, 3 doors from the corner. Be particular in observing the name or number, or you will mistake the place. Be particular for *Ignorant, Trifling Quacks*, with false names, or *Paltry Humbug Certificates*, attracted by the reputation of Dr. Johnson, lurk near.

All letters must contain a Postage Stamp, to use on the reply.

DR. JOHNSTON.

Dr. Johnson member of the Royal College of Surgeons, London, graduate from one of the most eminent Colleges of the United States, and the greatest part of whose life has been spent in the Hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known. Many troubled with ringing in the ears and head when asleep, great nervousness, being alarmed at sudden sounds, bashfulness, with frequent blushing, attended sometimes with derangement of mind were cured immediately.

TAKE PARTICULAR NOTICE.

Dr. addresses all those who having injured themselves by private and improper indulgencies, that secret and solitary habit which ruins both body and mind, unfitting them for either business or society.

These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c.

MENTALLY.

MENTALLY, the fearful effects on the mind are much to be dreaded:—Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion to Society, Self-distrust, Love of Solitude, Timidity, &c., are some of the evil effects.

Thousands of persons of all ages, can now judge what is the cause of their decline in health, losing their vigor, becoming weak, pale, nervous and emaciated, have a singular appearance about the eyes, cough, and symptoms of consumption.

YOUNG MEN

who have injured themselves by a certain practice, indulged in when alone—a habit frequently learned from evil companions, or at school, the effects of which are nightly felt, even when asleep, and if not cured, renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hopes of his country, the darling of his parents, should be snatched from all prospects and enjoyments of life by the consequences of deviating from the path of nature, and indulging in a certain secret habit. Such persons must, before contemplating

MARRIAGE,

effect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed without these, the journey through life becomes a weary pilgrimage; the prospect hourly darkens to the view; the mind becomes shadowed with despair, and filled with the melancholy reflection that the happiness of another feel comes blighted with our own.

DR. JOHNSON'S INVIGORATING REMEDY FOR ORGANIC WEAKNESS.

By this great and important remedy, Weakness of the organs are speedily cured, and full vigor restored.

Thousands of the most nervous and debilitated who had lost all hope, have been immediately relieved. All impediments to Marriage, Physical or Mental Disqualification, Nervous, Trembling, Weakness or Exhaustion of the most fearful kind, speedily cured.

TO STRANGERS.

The many thousands cured at this Institution within the last twelve years, and the numerous important Surgical operations performed by Dr. J., witnessed by the reporters of the papers, and many other persons, notices of which have appeared again and again before the public, *besides his standing as a gentleman of character and responsibility*, is a sufficient guarantee to the afflicted.

DISEASES OF IMPRUDENCE.—When the misguided and imprudent votary of pleasure finds he has imbibed the seeds of this painful disease, it too often happens that an ill-timed sense of shame or dread of discovery deters him from applying to those who, from education and respectability can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their appearance, affecting the head, throat, nose, skin, &c., progressing on with frightful rapidity, till death puts a period to his dreadful sufferings by sending him to "that bourne from whence no traveler returns." How melancholy the fact that thousands fall victims to this terrible disease, owing to the unskillfulness of ignorant pretenders, who, by the use of that *deadly poison*, mercury, ruin the constitution and make the residue of life miserable.

To STRANGERS.—The Doctor's Diplomas hang in his office.

☞ Letters must contain a Stamp to us on the reply.

☞ Remedies sent by Mail.

THE
ONLY PREPARATION
WORTHY OF
Universal Confidence & Patronage.

FOR STATESMEN, JUDGES, CLERGYMAN, Ladies and Gentlemen, in all parts of the world testify to the efficacy of Prof. O. J. Wood's Hair Restorative, and gentlemen of the Press are unanimous in its praise. A few testimonials only can be here given; see circular for more, and it will be impossible for you to doubt.

47 Wall Street, New York, Dec. 20th, 1858.

GENTLEMEN: Your note of the 15th inst., has been received, saying that you had heard that I had been benefited by the use of Wood's Hair Restorative, and requesting my certificate of the fact if I had no objection to give it.

I award it to you cheerfully, because I think it due.—My age is about 50 years; the color of my hair auburn, and inclined to curl. Some five or six years since it began to turn gray, and the scalp on the crown of my head to lose sensibility and dandruff to form upon it. Each of these disagreeabilities increased with time, and about four months since a fourth was added to them, by hair falling off the top of my head and threatening to make me bald.

In this unpleasant predicament, I was induced to try Wood's Hair Restorative, mainly to arrest the falling off of my hair, for I had really no expectation that gray hair could ever be restored to its original color (except from dyes. I was, however, greatly surprised to find after the use of two bottles only, that not only was the falling off arrested, but the color was restored to the gray hairs and sensibility to the scalp, and dandruff ceased to form on my head, very much to the gratification of my wife, at whose solicitation I was induced to try it.

For this, among the many obligations I owe to her sex, I strongly recommend all husbands who value the admiration of their wives to profit by my example, and use it if growing gray or getting bald.

Very respectfully, BEN. A. LAVENDER.

To O. J. Wood & Co., 444 Broadway, New York

My family are absent from the city, and I am no longer at No. 11 Carrol place.

Siamaston, Ala., July 20th, 1859.

To PROF. O. J. WOOD: Dear Sir: Your "Hair Restorative" has done my hair so much good since I commenced the use of it, that I wish to make known to the PUBLIC its effects on the hair, which are great. A man or woman may be nearly deprived of hair, and by a resort to your "Hair Restorative," the hair will return more beautiful than ever; at least this is my experience.—Believe it all! Yours truly,

WM. H. KENEDY.

P. S.—You can publish the above if you like. By publishing in our Southern papers you will get more patronage south. I see several of your certificates in the *Mobile Mercury*, a strong Southern paper.

WOOD'S HAIR RESTORATIVE.

PROF. O. J. WOOD: Dear Sir: Having had the misfortune to lose the best portion of my hair, from the effects of the yellow fever, in New Orleans in 1851, I was induced to make a trial of your preparation, and found it to answer as the very thing needed. My hair is now thick and glossy, and no words can express my obligations to you in giving to the afflicted such a treasure.

FINLEY JOHNSON.

The Restorative is put up in bottles of three sizes, viz: large, medium, and small; the small holds half a pint, and retails for one dollar per bottle; the medium holds at least twenty per cent more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent. more in proportion, and retails for $5.

INFANTRY RECRUITS.—Some time ago, Mr. Leonard Hawkins, of Starksboro', Vermont, informed the President that his wife had presented him with three sons at a birth, and asking him to name them. The letter was referred to the Secretary of War, who named them respectively, Abraham Lincoln, Gideon Welles and Simon Cameron; and in acquainting the happy father of the fact, the Secretary expressed the hope that the boys may live to do honor to their parents and their country.

A few days since the father replied to the letter, stating that he had named the children as suggested, concluding by remarks complimentary to the President and his Administration, and expressing the belief that they will prove competent in the present political struggle.

THE Rev. Dr. Channing, of London, and Sir Roderick Murchison, the Geologist, have exchanged notes in the London papers on the subject of the internal regions. The Knight, it appears, had in private conversation admitted the existence of an igneous sphere in the geological depths. The orator of Crown Court was reported as having said, in a lecture at Manchester, that Sir Roderick admitted the existence of a "boiling cauldron." The Reverend gentleman explains that his language was "a crust of fossil with a core of fire." The correspondence presents the one as a believer in the geological hell, and the other in both geological and theological.

REPORT OF A COMMITTEE OF INVESTIGATION.—In Kentucky, Gen. Nelson strictly prohibited any depredations upon the property of the citizens by his troops, and a committee was appointed to inquire whether any offences had been committed. In making his return, one Joe Forman, a member of the committee, reported that there had been sustained no loss except "*two beehives and a chicken without any honey in it.*" Sam. Owens, the schoolmaster, who was on the committee, corrected the report so as to make it read: "With the exception of a chicken and two beehives, the *latter* containing no honey"—which rather spoiled it, we think!

THE WAR'S RAVAGES.—The New York *Commercial Advertiser* compiles a list of the losses on both sides since the outbreak of the rebellion, commencing with the attack of the Massachusetts troops in Baltimore, and embracing the numerous fights and skirmishes that have since occurred, and the result is as follows:—Federals—killed, 969; wounded, 2041; prisoners, 2374. Rebels—killed, 4049; wounded, 1064; prisoners, 2088. These figures, however, do not include the killed and wounded of scouting parties of which there is no official record.

COLONEL MULLIGAN, the hero of Lexington, has accepted an invitation to lecture in Chicago. In his letter of acceptance, he says: "Permit me to ask you to devote the proceeds to the widows and orphans of those who fell at Lexington—the gallant men who

"'Lay along the battery's side,
Below the smoking cannon—
Brave hearts from Severn and from Clyde
And from the banks of Shanon.'"

A FIERY EAST TENNESSEEAN writes to a Cincinnati paper from one of the camps in Kentucky: "Are we to stay here always—must we forever stay and guard Kentucky; will we never be allowed to go back to east Tennessee, to our homes, and our destitute, unprotected families?" He expresses an earnest desire to help in the brashing of Zollicoffer on Tennessee soil.

CHANGE OF NAME.—In an order of Gen. Sherman, dated Hilton Head, Nov. 15th, we find the following:—"The fort on Hilton Head will be known as "Fort Welles," and the one on Bay Point, heretofore called Fort Beauregard, will be known as "Fort Seward."

THE Commission to investigate the accounts of the Western Military Department have had filed before them three hundred and seventyfive claims. As this body sits with closed doors little is known in detail of its proceedings.
