City and all other parts of the United States, Canada, West Iodies Central and South America, on buildings of all kinds, such as FACTORIES, FORTNEISS, ORTRONES, HAIL ROAD URFORS, CARS, and on PUBLIC BUTLENES generally GOTERNERY BUTLENES, A., by the principal Builders, Architects and others, during the past four years, and has proved to ne the CHEAP KST and MOST DURABLE, ROOFING in use; it is in svery respect A FIRE, WAIER, WEATHER and TIME PROOF covering for ROOF's OF ALL KINDS. ALL KINDS.

This is the ONLY material manufactured in the United States which combines the very desirable properties of Elasticity and Durability, which are universally acknow-iedged to be possessed by GUTLA PERCHA AND INDIA RUBBER. No Heat is required in making application.

The expense of applying it is trifling, as an ordinary roof can be covered and finished the same day.

It can be applied by any one,

and when finished forms a perfectly First PROOF sur face with an elastic cody, which cannot be injured by HEAT, COLD OF STORMS, SHRINSING OF BOARDS, nor any ex-ternal action whitever.

LIQUID

GUTTA PERCHA CEMENT. For Coating Metals of all Kinds when exposed to the Action of the Weather, and

FOR PRESERVING AND REPEARING METAL

BOOFS OF ALL KINDS.

This is the only Composition known which will success-fully resist extreme changes of all climates, for any length of time, when applied to metals, to which it ad-heres firmly, iorming a body equal to coats of ordinary paint, costs much less and will LAST THREE TIMES AS LONG; and from its elasticity is not injured by the contraction and expansion of Tin and other Metal Roofs, consequent upon sudden changes of the weather.

R will not CRACK IN COLD OF RUN IN WARM WRA1HER, AND WILL NUT WASH OFF.

Leaky Thi and other Metal Roofs can be readily repair ed with GUTTA PERCHA-CEMENT, and prevented from further corresion and leaking, thereby ensuring a per-fectly tight roof for many years.

fecty tight foot for many years. This Coment is peculiarly adapted for the preservation of IRON RAILINGS, STOVES, RANGES, SAFES, AGRI. CULTURAL IMPLEMENTS, Sc., also for general manucturers u

GUTTA PERCHA CEMENT

For preserving and repains Tin and other Metal Boofs of every description, from its great elasticity, is no. injured by the sontraction and expansion of Metals, and will not grack in cold or run in warm weather.

apolog I RHEUMATIC BAND, of Consumptive Patients in advanced Stages spiring for ONLY KNOWN REMEDY FOR of the Disease This is a remady so universally known to surpage any other for the cure of threat and tung complaints, that it is useless here to publish the evidence of its virtues. Its unrivalled excellence for coughs and colds, and its truly wonderial cures of publicatery disease, have made it known throughout the civilized nations of the earth...-Bew are the communities, or even families, among them who have not some personal experience of its effects...-some living trophy in their miles of its victory over the subtle and dangerous disorders of the threat and langs. As all know the dreadful fatallity of these disorder and as they know, too, the effects of this remedy, we need not do more than to assure them that it has now all the vir-ues that it did have when making the cures which have wog as strongly upon the conducted of mankind.
