Schirms, Cancer Tumors, Enlargement. Ulceration, Caries and Exfoliation of the Bones. A great variety of cases have been reported to us where cures of these formidable complaints have result-form the use of this remedy, but one space here will not admit them. Som to them may be found in our Amer can Almanac, which the agents below named are pleased to furnisn graits to all who call for them. Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia. May remarkable cures of these affections have been made by the alternative power of this medicine. It stimu ulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed, beyond its reach. Such a remedy has been required by the ne-cessities of the people, and we are confident that this will do for them all that medicine can do. Ayer's Cherry Pectoral
