Lieut. Russell, of the navy, the hero of the gallant affair at Pensacola when the Judith was burned, is here. He expresses the opinion that the recent fight at that place could not have been a decisive one.
The following posts are designated as headquarters of the several regiments of artillery at which the Colonels, Adjutants and Sergeant-Majors of each will be stationed.

TATNALL'S ATTEMPT TO DRIVE THE YANKEES OFF.
BEAUFORT TO BE OCCUPIED BY 5,000 TROOPS.
ANOTHER EXPEDITION FITTING OUT.

New York, Dec. 2.
The Port Royal advices state that old Tatnall's attack on the 28th ult., was not worthy the name of a battle. He came with three or four vessels near enough to fire a few shots which did no damage, and immediately retired. Tybee Island had not yet been occupied by our troops, but each night a party was sent from our vessels to light a fire and keep the national colors flying from the light house. It was understood that Beaufort would be occupied on the 29th, by five thousand Federal troops to prevent the rebels from taking possession.

The preparations continue for the expedition south, supposed to be against Fernandina. 5,000 troops were to go under the escort of the steamers Wabash, Dale, Pawnee, Mohican, Seminole and six or seven other gun-boats.
REBEL REPORT FROM PENSACOLA.
CALHO, Nov. 30.
Accounts received here by a flag of truce from the rebel army at Columbus, Ky., represent that the firing had ceased at Pensacola on Sunday last, Nov. 24th, and that up to Thursday last, the 28th, all was quiet there. This was six days after hostilities opened, the first gun having been fired on the 22d. No particulars were given of the results.

XXXVIIIth Congress--First Session.

(CONCLUSION OF YESTERDAY'S PROCEEDINGS.)
WASHINGTON, Dec. 2.
SENATE.
The committee appointed to wait on the President reported that he would communicate his message to Congress at noon to-morrow. Adjourned.
HOUSE OF REPRESENTATIVES.
On motion of Mr. LOYFOR, (Ill.) a resolution was adopted, tending the thanks of Congress to Capt. Wilkes for his arrest of the traitors Mason and Slidell.
On motion it was
Resolved, That John W. Bied, member from Missouri, having taken up arms against the United States, is hereby expelled from the House and that the Governor of Missouri be notified of the fact.
A resolution was unanimously passed declaring that as Colonel Cochran had been confined as a convicted felon by the rebels, that the President be requested to similarly confine James M. Mason, now in custody in Fort Warren.
Mr. BLUETT, (Mass.) offered the following:
Resolved by the House of Representatives of the United States of America. First. That in behalf of the people of these States we do again solemnly declare that the war in which we are now engaged against the insurgent bodies now in arms against the Government, has for its object the suppression of such rebellion and the re-establishment of the rightful authority of the National Constitution and Laws over the entire extent of our common country.
Second. That while we disclaim all power under the Constitution to interfere by ordinary legislation with the institutions of the several States, yet the war now existing must be conducted according to the usages and rights of military service, and that during its continuance the recognized authority of the maxim that the safety of the State is the highest law subordinates the right of property and dominates over civil relations.
Third. That, therefore, we do honestly declare that in our judgment the President of the United States as the Commander-in-Chief of our Army, and the officers in command under him, have the right to emancipate all persons held as slaves in any military district in a state of insurrection against the National Government, and that we respectfully advise that such order of emancipation be issued wherever the same will avail to weaken the power of the rebels in arms or to strengthen the military power of the loyal forces.
Mr. IANBY, (Md.) moved to lay the resolution on the table, but the motion was disagreed to—yeas 66, against 70.
On motion of Mr. STEVENS, (Pa.) the further consideration of the resolution was postponed until to-morrow week, in order that it may be discussed and amendments submitted. He was in favor of the proposition, but desired modification.
Mr. CAMPBELL, (Pa.) gave notice that he would call up the following resolution next Tuesday week:
Resolved, That in legislating to meet the exigencies of the present rebellion, Congress should confiscate the property, slaves included, of all rebels, and protect the property and rights under the constitution and laws of all loyal citizens.
Mr. STEVENS, (Pa.) submitted the following for future consideration:
WHEREAS, slavery has caused the present rebellion in the United States; and whereas, there can be no solid and permanent peace and union in this Republic so long as that institution exists within it; and whereas, slaves are now used by the rebels as an essential means of supporting and protecting the war; and whereas, by the law of nations it is our right to liberate the slaves of an enemy to weaken his power; therefore
Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the President be requested to declare free and direct all our generals and officers in command to order freedom to all slaves who shall leave their masters, or shall aid in quelling the rebellion.
Second. And be it further resolved, That the United States pledge the faith of the nation to make full and fair compensation to all loyal citizens who are and shall remain active in supporting the Union, for all the loss they may sustain by virtue of the resolution.
Mr. FENTON, (N. Y.) from the joint committee, reported that they had waited on the President and that he had desired them to state that he would send his message to the House to-morrow at 12 o'clock.
Mr. STEVENS, (Pa.) gave notice of his intention to introduce a bill to repeal certain laws creating ports of entry.
Mr. McPHERSON, (Pa.) offered a resolution, which lies over, setting forth the want of a more complete railroad, and instructing the Committee on Military affairs to inquire into the expediency of constructing an Air Line Railroad from Gettysburg to Harrisburg, Pa.
Mr. ROSOOF A. CORNELIUS submitted the following, which was adopted:
Resolved, That the Secretary of War be requested, if not incompatible with the public interest, to report to this House whether any, and if any what measures have been taken to ascertain who is responsible for the disastrous movement of our troops at Ball's Bluff.
Mr. OREL, (N. Y.) submitted the following, which was adopted:
WHEREAS, Col. Alfred M. Wood, of the Fourteenth Regiment, New York State Militia, who was wounded and taken prisoner at the battle of Bull Run, has now, by the rebel authorities, been ordered to confinement in a felon's prison, and by the same order is to be treated as prisoner, convict of infamous crimes; therefore,
Resolved, That the President of the United States be respectfully requested to order John Slidell to the same character of prison and to the same treatment until Col. Wood shall be treated as the United States have used all prisoners taken in battle.
Mr. BERNHISEL, presented the constitution which was formed by a convention of delegates assembled in Grand Salt Lake City, Utah, in March last, accompanied by a memorial asking Congress to admit that territory into the Union as a State on an equal footing with the original States. Adjourned.
