

Daily Telegraph.

HARRISBURG, PA.

Tuesday Afternoon, December 3, 1861.

MUSTER ROLLS FOUND.—A set of muster rolls were left at Bernger's Book store, and can be obtained by paying for this notice.

TO ARMY OFFICERS.—Blank pay rolls and full length handsonely printed according to the army regulations, on fine white and durable paper, are for sale at this office.

SKATING.—From all accounts the "cold term" has already commenced up in Tioga county. Dickenon's pond near Wellsboro is now frozen over, and the editor of the *Democrat* has been "stretching his pins" on it.

THE REMAINS OF TWO SOLDIERS named Washburn and Whelan, who died recently at Camp Curtin were forwarded in the noon train yesterday to their relative in Wayne county. The deceased belonged to Capt. Osman's company, of Col. Meridith's regiment.

AMONG the "many inventions" which the war has called into being is a novel cartridge, styled a combustible cartridge. Every one knows that in the common cartridge the end has to be bitter or torn off before loading. The new cartridge does not require this operation, the wrapping being combustible (it is water proof also), admitting of instantaneous ignition by the percussion cap.

RAILROAD APPOINTMENT.—We learn that Mr. Du Barre, whose name was recently mentioned in connection with the superintendency of the Northern Central Railroad, has been appointed by the board of directors superintendent of that road, vice Mr. James C. Clarke, who has resigned. Mr. Du Barre is from the Fort Wayne and Chicago (Illinois) Railroad, and brings to his new post considerable experience in railroad matters. Mr. Du Barre entered upon his duties yesterday.

TEACHERS UNION INSTITUTE.—A teachers' Union Institute, composed of seven teachers of Middle Paxton township, and three of the town of Dauphin, was organized on the 16th ultimo, by the election of the following officers:

President—Wm. J. Lawrence.
Recording Secretary—W. S. Poffenberger.
Corresponding Secretary—H. G. Sheesley.
Treasurer—Benj. Moyer.

The objects aimed at by the organization are, 1st. The advancement of the cause of education in the districts and Commonwealth. 2nd. Individual improvement as teachers, and thereby the improvement of the pupils. 3rd. The dissemination of a code of pure morals in the schools.

To accomplish these in part, the members are required to deliver lectures and essays, and to give illustrations of the modes of teaching the various branches of study introduced in the schools; all of which are subject to discussion and criticism, for the purpose of endeavoring to secure those which may best benefit scholars and teachers.

POLICE—Before the Mayor.—John Baker, John Talburt and Mary Todd—all first class "vags" were arraigned for "lying around loose." Discharged with an injunction to leave the city for the city's good.

John Short—a volunteer wearing the uniform of a Zouave—was arraigned for vagrancy. Short it appears, had enlisted in one of the Indiana regiments, but it was subsequently discovered that he was afflicted with some ailment which rendered him unfit for service, and was accordingly left here by the regiment during its passage through the city two or three months ago. Since then Short has been staying about the city, living on the charity of the public, and lodging at night either in the market house or on the most convenient cellar door. After hearing Short's story, his honor, the Mayor, furnished him with a note to Mr. Young, Superintendent of the Pennsylvania Railroad, by whom, we have no doubt, he was passed over the road free to Pittsburg.

Peter Ducker—said to be a soldier—was arraigned for drunkenness and breaking in a door at the residence of Miss Kate Castor. Sent to prison for 80 days.

Peter Minus and John Johnson—both "drunks"—were arraigned, and discharged with an injunction to "sin no more."

THE QUARTER MASTER GENERAL of the State of Pennsylvania acknowledges to have received for the volunteers at Camp Curtin the following donations: From Upper Strasburg and vicinity, Franklin county—Mr. William G. McClellan, 6 pairs woolen socks; Rev. George R. Zacharias, 1 pair; Samuel Lehman, Jr., 1 pair; Mrs. Harriet Kramer, 2 pairs; Mrs. Catharine Stake, 1 pair; Mrs. Mary Bigler, 1 pair; Mrs. Jane Kasy, 3 pairs; Mrs. Adeline Ramsey, 1 pair; Mrs. Rebecca Detrich, 1 pair; Mrs. Susan Gillingner, 1 pair; Mrs. Mary Gilmore, 1 pair; Miss Eliza Gilmore, Mrs. Mary Andrews, Mrs. Eliza Ramsey, Mrs. Sarah C. Carbaugh, Mrs. Catharine Cummings, Mrs. Martha A. McClellan, Miss Catharine Foltz, Mrs. Mary Freet, Mrs. Westhafer, Mrs. Susan B. Logan, Mrs. Satira C. Britton, Mrs. Mary E. Weist, each, 1 pair woolen socks; Mrs. Elizabeth Rife, 2 pairs; Mrs. Mary Flora, Mrs. Catharine Wingert, Mrs. Leah Harbaugh, Mrs. Yount, each, 1 pair; Mrs. M. Patton, 3 pairs; Miss Margaret Uzo, 2 pairs; Mrs. E. Kife, 3 pairs; Mrs. Wilhelmine Harner, 4 pairs; Mrs. Elizabeth Coffman, 2 pairs; Mrs. Elizabeth Lehman, 2 pairs; Miss Rebecca Bacholt, Miss Junia L. Ramsey, and Mrs. Caroline Rigner, each, 1 pair. Twelve pairs woolen socks and 12 pairs fine carpet overshoes from Miss M. H. Brown, 1832 Spruce street, Philadelphia. Ten pairs woolen socks from two ladies of the German Reformed congregation of Chambersburg, and 2 blankets from a lady of the same congregation for hospital use. Four pairs woolen socks from Christian Musser, Juniata county. From Rev. Dr. Hay, of Harrisburg, 18 night shirts for hospital use at Camp Curtin, donated by the ladies of his church. Two pairs woolen socks from Mrs. Elizabeth Gorgas, Lower Allen township, Cumberland county.

B. C. HALE,
Q. M. G.

A STATED meeting of the Paxton Hose Company will be held this evening at seven o'clock.

SWORN IN.—Captain G. W. P. Davis' company, who are serving as guard to the public property in this city, have been sworn into the United States service yesterday morning by the U. S. mustering officer, Captain Dodge. A few more recruits are wanted to fill up the company to the required standard.

M. H. Cobb, several years ago connected with the editorial department of this paper, and now Deputy Clerk of the U. S. Senate, was recently in Tioga county, on a visit. While in New York, on his return to Washington, with his wife, their trunks were stolen by burglars, and all of their clothing, and valuables taken.—What makes the loss far more severe, all of Mr. Cobb's private papers and manuscript, (the latter the result of much intellectual toil, in the interval of editorial labors,) were taken.

MYSTERIOUS AFFAIR.—We clip the following from the Philadelphia *Bulletin* of yesterday afternoon:—Coroner Conrad was sent for this morning to hold an inquest upon the body of an unknown man, a soldier, who had arrived yesterday at the Pennsylvania Railroad Depot in a box. It seems that the box was taken to the depot at Harrisburg by a squad of soldiers, and the freight was paid to this city. A soldier came down in charge of the body, but has not been seen since the arrival of the train. From appearances the deceased had evidently been run over by a train of cars. He belonged to the McClellan regiment, which had been encamped at Huntingdon.

THE STATE APPROPRIATION TO COMMON SCHOOLS.—The following circular relative to the State appropriations to the department of common schools has been published by the State Superintendent, Thomas H. Burrows, Esq.:

An erroneous impression is entertained in some parts of the State that the appropriation for the school year, beginning on the first Monday in June, 1861, was withdrawn by the State Legislature, and applied to the support of the War. It is, therefore, proper to say that the State has not thus disgraced herself. On the contrary, while the amount of appropriation payable per taxable to the districts will be the same as it was last year, the aggregate appropriations were greater in amount than for any year since 1840. The appropriations to the districts, will, therefore, be paid out as usual, as soon as each shall have filled the proper certificate, that the schools were open and in operation, according to law, at least four months after the first Monday in June, 1861.

THE BODY RECOGNIZED.—The body of the soldier killed on Friday on the Northern Central railroad, between the Bolton depot and Woodberry, previously noticed in the *TELEGRAPH*, has been recognized as that of Benjamin Snyder, a member of Captain Albright's company of the Scott regiment from York, Pa., and stationed at the Relay House on the above road. He was in Baltimore on Thursday on a pass, and it was supposed attempted to jump upon some of the outward bound trains passing during Thursday night, and falling beneath the cars, was killed in the attempt. The body was horribly mangled, having been dragged some thirty or forty yards. The top of his head was crushed entirely off, and his left foot and right arm severed from his body. The body of the deceased was taken in charge by the company's agents and forwarded to the encampment of the company to which he belonged, and from thence to York Pa., where he has a wife and children living. As has been heretofore stated, the jury in the case rendered a verdict of accidental death.

THE CASE OF LIEUT. VANSTAVOREN.—Lieut. Vanstavoren, whose arrest at the Lebanon Valley Railroad depot in this city by officer Cole, was noticed in last Saturday's *TELEGRAPH*, was taken to Philadelphia yesterday, where he had a hearing before Recorder Enew, of that city.—Vanstavoren, as we have already stated, was charged with being a fugitive from justice from Washington, where he is alleged to have stolen \$500 from Lemuel Howell. Several witnesses were examined. It appears from the evidence that Howell and Vanstavoren were Lieutenants of company G, Seventh regiment, P. R. C.—They both resigned, left camp together for Washington. Upon his departure, Lieut. Howell was entrusted with a quantity of letters to be delivered personally to the families of the men belonging to the company. These letters contained from \$10 to \$60 each, and were placed in his trunk, but were subsequently removed to a house. Vanstavoren advised Howell not to take them, as there might be trouble if any were lost. In Washington they stopped at Simpson's Hotel, and the baggage was all placed in the baggage room. Vanstavoren was in that room once to get something from his trunk.—Howell was taken sick and went to bed early. Vanstavoren left the room and said that he would return shortly, but Lieut. Howell did not see him again until the next morning, when he met him at the depot about to start for Philadelphia. A man who was with him testified that they had "slept all night at the Northern Hotel." After reaching home, Lieut. Howell discovered that his valise had been stolen. He was arrested for the larceny of the money. The matter, however, was referred to detective officer Franklin, of Philadelphia. Mr. Franklin found that Vanstavoren had been acting somewhat suspiciously about Myerstown, Lebanon and Reading, and by his orders Vanstavoren was arrested on Saturday in this city. After the hearing he was committed to await a requisition from the authorities of the District of Columbia. He remarked that he desired a speedy trial, that he might have an early opportunity of proving his innocence.—The accused was formerly a clerk in the Philadelphia Post Office, and subsequently an operator on the Local Telegraph of that city.

"How empty learning, and how vain is art; Save when it guides the life, and mends the heart."

PRUDENCE.—"One grain of prudence is of more value than a cranium crowded with the unbridled genius, or a flowing stream of vain wit. It is the real ballast of human life. Without it, dangers gather thick and fast around the rail bark of man and hurry him on to destruction. The shores of time are lined with wrecks driven before the gale of imprudence. It is not prudence for children to disregard the good counsel of their parents and teachers. It is not prudence for parents to let their children grow up in idleness." It is not prudence to pay high prices for dry goods when you can purchase them much less at the cheap store of Ulrich & Bowman, corner of Front and Market streets.

FURS, FURS, FURS.—\$1,000 worth of furs received from New York auction; 100 fur capes and muffs, from \$3 up to \$12, worth double; 25 doz. hoop skirts for 50c, 75c, and \$1.25; 100 cloaks for \$2, \$2.50, \$3.50 up to \$10, very cheap. A large assortment of traveling bags, baskets and satchels; 100 pieces of splendid dark calico at 8 and 10 cents a yard—of stockings we have a full assortment for ladies, men and children, woolen and cotton, at 12, 18 and 20 cents; 36 large woolen blankets; 50 pieces of cotton flannel, at 12 1/2 cents; red, yellow and white flannel, very cheap; 60 pieces of white curtain fringes at half price; beautiful set flowers, De Laines, at 22 and 25 cents; received a new lot of shirt breasts, beautiful styles, at S. Lewy's wholesale and retail dry good store. Wholesale buyers we would especially invite to our large stock, to which we receive additions most every day from New York auction.

AYER'S AMERICAN ALMANAC has now arrived and is now ready for delivery, gratis, for all druggists, to all who call for it. Our readers may be surprised to know that this little pamphlet which has become so much a favorite in our section has quite the largest circulation of any one book in the world, except the Bible.—It is printed in many languages and scattered through many nations, and as supplied to almost the entire population of our vast domain. Every family should keep it, for it contains information which all are liable to require, when sickness overtakes them and which may prove invaluable from being at hand in season. If you take our advice, you will call and get an Ayer's Almanac, and when got, keep it.

A CARD TO THE LADIES.

DR. DUPONCO'S GOLDEN PILLS FOR FEMALES.
"Read the following certificate" from one of the first ladies in Ulster, N. Y., who called upon my agents in this city (Mr. Wm. B. Smith, & Co.) and said that she had, of course, did not wish her name made public, but if any one should doubt the wonderful efficiency of Dr. Duponco's Golden Pills, they might refer any lady to her, as she had taken a box of Dr. Duponco's Golden Pills, and she considered it a duty, as well as a pleasure, to her knowledge of their efficacy, as administered to her daughter, a young lady 17 years old.—she was fast going into consumption, and had taken other pills, but became worse. Two boxes of these Golden Pills entirely cured her, and she is now in robust health.—We were particular in buying the genuine. Full and explicit directions accompanying each box. Price \$1.—Sole wholesale and retail by C. K. KELLER, (druggist), 91 Market street, (sole agent for Harrisburg, Pa.) By sending him \$1.00 through the Harrisburg Post Office the Pills will be sent immediately by mail to any part of the country; "free of postage."
N. B.—Look out for counterfeits. Buy no Golden Pills or any kind of medicine, unless you see the name of Dr. Duponco on the box, and the signature of Dr. Duponco on the wrapper. Others is a base imposition and unsafe; therefore, you value your lives and health, (to say nothing of being humbugged out of your money,) buy only of those who show the signature of Dr. Duponco on the wrapper, which has recently been added on account of the Pills being so much counterfeited. The ingredients composing the above Pills are made known to every agent, and they are safe, and will perform all claimed for them.
Sole sold by T. L. Lumberger, Lebanon, A. J. Kaufmann, Mechanicsburg; M. Marks, Lewisburg; S. Elliott, Carlisle; S. W. Ward, Newville; J. C. Allen, Sunbury; J. Spangler, Chambersburg; E. T. Miller, York; J. A. Wolf, Wrightsville; S. S. Stevens, Reading; and J. F. Reading, and by "fine druggists" in every town and village in the United States.
