THE DYING YEAR.

The many colored leaves

sweeping o'er the heath with rustling Are sound. And swallows' empty and deserted nests are found

Beneath the trees.

The frequent blast Groans in the night, and moans in lashing sea Rends the dead limbs, and leaves the rifled trees Skeletons of the past.

The winds that moan, The leaves that wither, and the limbs that fall, The flight of birds, but dying years recall, With many a groan.

These life doth typify ; Misfortune is the blast, and treasured joy the leaves, And friends the birds that fly the winter eaves,

Whence comes adversity.

Whence comes adversity. Whence comes adversity. Gov. Curtin in New York. The following is a correct copy of the able and impressive address of Gov. Curtin, at the dinner of the New England Society, in New York on Monday evening last. The speech as it was published in the TRIEGRAPH was taken from a poor and measure report of the proceed.

Toast-"The Union of all the States-it may

cost treasure; it may cost blood; but it will stand, and amply compensate for both." Mr. Evants stated to the assemblage that this

was the language of John Adams, in a speech

Governor Curtin then proceeded to speak as ollows: MR. PARSIDENT AND GENTLEMEN OF THE NEW Served, even if it shall cost blood and treasure follows : ENGLAND SOCIETY:---I accepted the invitation to be present this evening, that I might enjoy the

mense applause.] Save the distinguished pre-sident of this society, and some three or four of the members, I stand in the presence of an as-semblage of gentlemen with whom I had not semblage of gentlemen with whom I had not the pleasure of personal acquaintance, and I certainly could not have separated myself from my duties in this exigency but to mingle with those who harmonize with the people of Penn-sylvania in their ardor, their zeal, and sympa-thy to suppress this most wicked and insane at-tempt to disturb the peace of our hitherto happy country. [Applause.] Gentlemen, it is the duty of every man who

It is true, that we have not the versatility of the people of New England. Our richer soil and our vast material resources afford to our population an easier means of living, and the ingenuity of our people is not taxed with change, or new and more notifable nursuits and yet we or new and more profitable pursuits, and yet we have dong much, very much, for development and progress. We have surmounted the natu-ral barrier which separates the east from the west of our State; the Alleghenies have bowed to our ease and comfort, and convenience and happiness. We have carried our railroads and canals into an almost inaccessible mountain re-gion, where Nature has concealed her almost

priceiess jewels, and our black diamonds are now used all through New England, and the room in which we are assembled is made com-fortable by fuel carried from Pennsylvania.----Applause.]

We are indebted to New England for liberal gifts in men, and the skill of their mechanics. You give us teachers for our schools, professors for our colleges, and the productions of your skilled labor. I will presume upon the good nature of my audience to say that we are some. times persuaded to purchase articles we could of the ice. She will not land her troops here, do without, and have never complained that you charged us too little. [Laughter and ap-plause.] Besides you have no right to complain that we are *slow*, if you will tax your memories with the fact that we buy our clocks in New England. [Immense laughter.] But there is no egotism in saying that we are not slow *now*. When the leading conspirators who new not When the leading conspirators, who row seek the destruction of our government, retired from the councils of the nation; when their deluded

In this struggle, it is the duty of every man to work patiently, in the sphere of his allotment for the suppression of insurrection. We are all pledged to fidelity to the Constitution and the supremacy of the laws, and to the support of the visible heads of the government, no matter made in the Continental Congress, in the city of Philadelphia, and that it was proper that a re-who they are. [Applause.] They were placed Philadelphia, and that it was proper time a low who they are. [Apprause.] They were proceed approach the toast should come from the Key-stone State. We are honored, he continued, by the presence this evening of Governor Curtin, of the United States, the living representative of legitimate authority, is, and justly so, enti-of Pennsylvania, whom I now present to you:

-and it will amply compensate for both. [Imbe present this evening, that I might enjoy the privilege of meeting with loyal men outside of the State of Pennsylvania, and draw inspiration from the patriotic sentiments I expected to hear from the descendants of the Puritans, and my expectations have not been disappointed. [Loud applance] Thank God, I havo never looked into the face of a disloyal Pennsylvanian since the commencement of the rebellion. [Im-mense applause.] Save the distinguished pre-sident of this society, and some three or four of the members, I stand in the presence of an as-semblage of gentlemen with whom I had not

at least one day sooner than by the way of from a poor and meagre report of the proceed-ings of that dinner, and therefore in justice to the Governor, we republish the speech : the world forever and forever. [Great applause.]

FROM GEN. BANK'S COMMAND.

FREDERICK, Dec. 26.

Andrew Kessler, Jr., a member of the late Maryland House of Delegates, has been released from Fort Warren, on taking the cath of allegiance, and returned to his home in this

county Gen. Bank's has issued a stringent order in regard to the seizure of forage without the owner's consent, and another prohibiting the sale of liquor to soldiers. Both will be rigidly

enforced. Christmas, in camp, was kept generally as a holiday, but there were no extraordinary demonstrations beyond the consumption of poultry and other delicacies.

The Episcopalian and Catholic Churches were crowded with soldiers and citizens. Dr. King, the Medical Director of this divis-

ion, in consequence of ill-health, recently re-quested to be withdrawn, but having since reovered, he will continue his present position. Since the promulgation of the general order in regard to the examination of refugees and deserters from the rebels by the Commanding General, from ten to fifteen have been sent to

nin tous a series of the Royal College of Surgeons, Dr. Johnson member of the Royal College of Surgeons, London, graduate from one of the mest eminont Colleges of the United States, and the greatest part of whose life has been spont in the Hospitals of London, Paris, Phila-delphia and elsewhere, has effected some of the mest ma-tonishing ourse that were ever known. Many troubled with ringing in the cars and head when asleep, great ner-vousmes, being alarmud at sudden sounds, basinfunges. with frequent blushing, allouded south as with derauge ment of mind were oured immediately,

No. 69, Market Street, below Third,

calls himself an American citizen to devote himself to the suppression of the treason and rebellion which now threaten the stability and future progress of the greatest and most beneficent Government ever conceived by the mind of man; not to the restoration of the Govern-ment-I admit of no such fallacy. The govern-ment exist, and the Constitution, with all its ample powers, is in full operation-[vociferous ample powers, is in *put operatorn*-[voctorous applause]—but to suppress an insurrection against legitimate authority, we are now en-gaged in actual war. The time for temporizing is past. We have unsheathed the sword, and the people of the loyal States demand that it and the halter-[applause]-shall perform their duty with the rebellious and the wicked. This

attempt to disturb our Government is without a parallel in history, and so the civilized world nust regard it.

For seventy-three years we have enjoyed constant enlargement of national power and individual happiness, under a form of Government very ably. Analysis is the golden key to arithmetic. which derives its principles of political and religious liberty from the men the anniversary of whose landing on the shores of New England and place for holding the next meeting of the you have this night assembled to commemorate, Dauphin County Teachers' Institute, beg leave you have this night assembled to commemorate, and the attempt to disturb it must be resisted to report: That after a careful consideration of by force—force of arms. [Applause.] If the time has come when our Constitution, the most ly of the opinion that it is inexpedient to take and the attempt to disturb it must be resisted priceless legacy given to us by the Apostles of action thereon, but would su Liberty, must be purified by the shedding of resolution in lieu thereof : blood, we must meet the crisis like men ; and, *Resolved*, That this Institu GILT FRAMES! Ands. [Applause.] In responding to the hands. [Applause.] In responding to the hands. [Applause.] In responding to the tal words of an immortal man; and you will had to the teachers of Dauphin County, when assembled for the examination in their respect-ive districts, that they then decide upon what tal words of an immortal man; and you will had to the teachers of Dauphin County, when assembled for the examination in their respect-ive districts, that they then decide upon what tal words of an immortal man; and you will had to the teachers of Dauphin County, when assembled for the examination in their respect-ive districts, that they then decide upon what tal words of an immortal man; and you will had to the year 1862, said decision to be made known the fact that the sentiments of political and re-to the County Superindent at the close of having baptized it in the blood of the wicked. the fact that the sentiments of political and re-tigious liberty brought by the Puritans of New the examination. England, and carried thither by the Fundams of New England, and carried thither by its representa-tives and promulgated to the world in the Declaration of Independence, and that John Adams uttered the words in Independence Hall, in the city of Philadelphia; and it will not, I hope, be considered invidious to refer to the fact that, when the war of the Revolution had closed

in success, the freedom of New England was again carried to Pennsylvania, and represented in the Convention where our matchless Constitution was framed. [Applause, loud and long.]

The people of Pennsylvania are not given to sudden or frequent spasms for changes of public opinion. But, when sent in the right direction,
