A highly attractive programme of entertainment is no for the occasion, including attractive programme. entertainment is up for the occasion, including the irresistably funny pantomine of the "threelegged monster, or the fighting tailor and shoemaker," which alone is worth the price of admission. The "Friendship" is a very deserv ing fire company, and we expect to see a rous ing full house at the Hall to-morrow night.

HONOR TO WHOM HONOR IS DUE.-Early on Saturday morning, Lieur. Duchman arrived in this city from Lancaster, with nine recruits en route for Kentucky. He was compelled to remain in Harrisburg until Saturday evening, and during the time stopped with his men at the Farmer's Hotel, B. G. Peters, proprietor. Mr. Peters refused to receive a cent for the entertainment of the soldiers, having lodged, breakfasted and dined the entire number of recruits gratuitously. We witnessed some ludicrous falls, but "nobody was hurt" seriously, and the fallen hopped to their feet and went in more energetically than ever. By the way, what has become of our "skating club," formed under such favorable auspices last winter? Have the male members all gone to war, or is it possible that the ladies have grown tired of indulging in this species of innocent sport and exercise?

Police-Before the Mayor .- Two soldiers of the 110th Pennsylvania Regiment, from Camp Curtin, and a German from Berks county, were arraigned yesterday morning charged with drunkeness and disorderly conduct. The soldiers were sent to Camp and the German directed to leave the city forthwith.
