DISTRICT DEPUTY GRAND MASTER.—At the anunal Communication of the Grand Lodge of Masons, held in Philadelphia on the 27th inst. Robert A. Lamberton, Esq., of this city, was appointed Deputy District Grand Master for the counties of Dauphin, Franklin, Cumberland, Adams, Juniata and Perry.

NAVIGATION CLOSED. - The cold weather of Friday put an effectual ice embargo on the Eastern Division of the canal, which was doing a brisk business up till that day. It is believed next reason boat building has accordingly be put in thorough repair during the winter.

OUR CARRIERS will be "around" bright and early to-morrow with their usual offering to the Patrons of the "TELEGRAPH." They flatter themselves, it will be an acceptable present and as one good turn descrees another, they hope to meet with a substantial mark of approbation from their numerous well wishers throughout the city. As they only make one call of the kind in a twelve-month, they do not anticipate anything else than a cordial greeting on the occasion.

 $S_{CBOOL}$  VISITATION.—The following is an extract from the report of County School Suerintendent Ingram for the month of Decem-

Visited 38 schools in Lower Paxton, Londonderty, Conewago and Harrisburg—spending 522 hours in these schools, making the average duration of visits one hour and fifty minutes. raveled 150 miles; walked 67; in cars 78, and by other conveyance five. Twenty-five days were spent in official duty, of which four were pent in conducting County Institute.

SANFORD'S OPERA-Benefit of the Friendship Fire Company .- The proceeds of the burnt cork opera at Brant's Hall to-night are to be applied to the benefit of the Friendship Fire company, and of course, the house will be crowded to excess with the fashion and elite of the Capital city. The programme for the occasion is brimfull of oice, songs, burlesques, and negro eccenricities, terminating with the great holiday antomime of the "Three Legged-Monster or the Fighting Shoemaker and Tailor," in which the gigantic family will appear as usual. A number of new tricks have been added to the pantomime, which gives it increased attractions. Every body for the Opera to-night.

CURE FOR FROSTED EEET .- It is said that fro. sen feet can be speedily and certainly cured by being bathed and well rubbed by kerosene or coal oil for a few times at night before retiring to bed. Several persons have already tried it, all of whom unite in pronouncing it an effectual cure, which, if they are correct, is an easy and cheap mode of getting rid of a very sore and troublesome affliction. Those who have tried it say that the feet should be well warmed by a hot stove during and after application of he oil, and it will certainly effect a speedy pure. Persons suffering from the pain of frosted feet will so doubt do well in giving it a trial for it is surely a very cheay ointment and which very easily applied.

POLICE .- Before the Mayor .- David Robinson and Jacob Christy—two "gemmen ob color" were brought up on a warrant charged with obey a summons to appear as witnesses in a lock-up, until they agreed to purge them selves of the contempt, by making the necessary apologies, after which they were discharged by paying the costs.

Several soldiers were arraigned for drunkenness and disorderly conduct. and all discharged except one, named Thomas Simmons, who was re-committed to the lock-up.

By the Consolidated Police-Albert Warner Henry Souders and Mary Pall, were arrested for druukenness and disorderly conduct. Committed by Justice Beader.

Mrs. Sauber was arrested for assault and bat tery. Bound over by Justice Beader to answer John Winters was arrested for drunkenness and disorderly conduct. Discharged on paying

DEATH ON THE CARS. - As the passenger train of the Pennsylvania Railroad, which left this city last Saturday morning, reached the vicinity of Spruce creek, a passenger was discovered to be dead. He got on the cars, on Friday afermoon, at Jersey city, and took a berth in the fore: steping car. When the porter came to make up his bed, in the evening about eight o'clock, he we lying on the seat and complained of illness, I marking that he believed he was threat ened with the ague. He went to bed, and nothing mare was noticed of him until Saturday morning, Wien, as stated, he was found a corpse. His Lidy was placed in a box, transferred to the bassage car, and taken to Pittsburg. Coroner Malung was notified, and immediately upon the savival of the train held an inquest on the body, which was indentified by
