Paily Telegraph

HARRISBURG, PA, Tuesday Afternoon, January 7, 1862.

ENTERED UPON HIS DUTIES .- Mr. John L. sworn in, and entered upon the duties of that office yesterday.

PHYSICIAN TO THE COUNTY PRISON. - The Board of Prison Inspectors last evening appoint ed Dr. J. G. Weistling physician to the county prison for the ensuing year.

ROUGH SHOE YOUR HORSES.—One of the back Curtin, experienced a severe fall last evening He went barefooted; his chief food was bread struggled painfully before he could regain his mend his estate or income it is not wonderful feet. It is cruel to drive a poor beast with that his wife scolded. smooth shoes over glaring ice, and those who have not sufficient humanity to rough shoe the animals and secure them from falling, should injury to the creatures under their care.

Police Affairs - Several cases of drunken-Mayor this morning. One of the "drunks" was committed for thirty days, one fined \$1, others discharged. The parties in the bawdy house case gave bail to appear.

The consolidated police, also made several arrests for drunkenness, all of whom were heard before an Alderman and committed.

"UP WITH THE FLAG."-In the absence of any regular celebration of the anniversary of the battle of New Orleans to-morrow, the day might very properly be honored by a general display of flags throughout the city. Such an arrangement would have a fine effect, and we hope our citizens will heed the suggestion.

Up, up with that banner where'er it may call Our millions shall rally around; A nation of freemen that moment shall fall When its stars shall be trail'd on the ground

GONE TO GET HIS BOOTS MENDED! - Many items of interest occur in camp at Annapolis Recently a simultaneous laugh went forth whilst one of the volunteers read aloud an extract from his good mother's first letter received since his arrival: "Shall we see you when your boots are mended?" The story is: He was very desirous to join the Massachusetts Twenty-fourth. His parents refusing, he managed to culist with the understanding that he ernment wanted more men, and he would add be put up in the same way. one to the number." May his patriotism and courage be measured by his adroitness. He's a good fellow, and possessing capabilities requisite for a good soldier, no doubt he'll prove heroic."

THE TREATMENT OF DIPTHERIA. -The Philadelphia Ledger of vesterday has an article on Diptheria, in which some very excellent and prac- without letting his cattle feel the influence tical advice is given relative to the treatment of his spirit. Soft words and kind looks of this disease. After describing the symptoms turn away wrath among cattle as among of the disease, which are generally soreness of the throat, followed by the appearance of a the hatred which the "brute beasts" feel, white or sometimes yellowish coating matter though they cannot utter their scorn, except in on the lungs inside, our cotemporary says: It occasional kicks or bites, and by general "ugliis well known that the best mode of treating ness," as it is sometimes called. An ear of scarlet fever, measles, and even typhoid fever, is to regard them as the effects of some poisonous matter inhaled through the lungs and horse, has influence more or less in making carried perhaps, as the oxygen gas is carried your appearance always a source of pleasure to through the capillaries of that organ into the the animals around you. It is cheap luxury, circulatory system. In scarlet fever and mea- this rendering even the brute beasts comfortsles the best treatment has therefore been ably around your homestead." found not to bleed or reduce the system, but rather to stimulate it so as to aid it to throw off the surface the poison which in those cases week there were about forty cannons proved at blossoms out on the skin and dies there. The Phoenixville by an officer from the ordnance same sort of general treatment is found most departmentat Washington, and every one stood useful in diphtheria. If a child has an ordina the test. Not one out of the three hundred ry attack of sickness, or sore throat, a little made at the Phonix works has proved faulty; abstinence or opening medicine will generally all bore the test to perfection. reduce it. But in a disease of this kind, on the contrary, a generous diet and a gentle stimu- pronounced Mr. Griffin's wrought iron cannons lating treatment seems to strengthen nature the best, handsomely finished and of great duand throw off the disease. Whether diphtheria rability. is contagious or not has been doubted. In all The Government has given the Phonix Iron probability it is not. But it may and does be company another order of 300 more to make come epidemic in the atmosphere. Wherever as soon as possible. Besides the heavy orders there is exposure to it, fresh, pure air is for railroad iron, the company have also orders one of the best preventatives and even for beams and girders for iron bridges, and iron medicines both for the individual patient of various discriptions for navy yards for buildand for the prevention of the spread of the ing vessels, which causes business to be very disease. A room well aired and lighted and brisk at these works. The company have warmed, so freely as to allow of a constant large number of hands employed-part of the change, without draft, or any extreme of heat works run day and night with double sets of or cold, will of itself do much in the way of hands. medicine. But there is no time to be lost in the commencement of active treatment the moment the disease shows itself. To cleanse and keep clean the throat, and prevent unhealthy and corrupt matter from forming or accumulating there, is in itself a work of no ordinary skill. Gargle for the throat, that will stimulate the stimulating through the stimu stimulate the muccus membrane to healthy ac- secure seats. tion, or cauterization, as needed, together with the keeping up of the strength of the general be well patronized. The curtain here like the system, will require no little management and one act is finished, something else immediately promptitude.

It should be borne in mind that the proper treatment of each case as it arises is of vast importance, not only to the life and health of now is the time to have a good fitting Shirt the individual patient, but, in fact, of the whole made to measure or from sample. I am now made to measure or from sample. I am now or the sample of the sample o community. An hour of two of neglect by a sleepy nurse, may render the case virulent in itself and pestilent to a whole neighborhood; while careful nursing and scientific treatment in the water of Ladies' and Gentlemans' Furnishing fronds at the old prices also along lot of A. while careful nursing and scientific treatment ment of Ladies and Gentlemans rurnisning may and will modify the type which a disease assumes, until it entirely dies away, or becomes in time easily manageable by discreet discrete discrete ment of Ladies and Gentlemans rurnisning Goods at the old prices; also a large lot of A 1. DUPONCO'S GOLDEN PILLS FOR FEMALES. keeping a bawdy house, was heard before the the loyal States "mean business" or no, in the present war they "talk turkey!" Many a poor fellow in this city and elsewhere, to whom which he paid, some recommitted, and the a turkey is a dim tradition of childhood, had better been a soldier at about Christmas even on the score of eatables.

PETTICOAT NUISANCE. —A Boston paper says :-A day or two since, a gentleman, in passing along Tremont Row, unintentionally stepped on a lady's dress, which was trailing on the sidewalk. The lady instantly turned, her eyes flashing fire at the gentleman, and spitefully exclaimed, "You impudent puppy!" The gentleman very coolly replied, "Madam, if your dress had not been on the sidewalk which is made for the people to walk upon, I should not have stepped upon it. I have no apology to make, but I would advise you hereafter either to shorten your dress a trifle or adopt some other method to keep it off from the common footpath."

CONCENTRATED CHICKEN FOR SICK SOLDIERS. A lady who visited ninety-two regiments of the Potomac army, on behalf of the "Ladies" Aid," of Philadelphia, distributing with her own hands clothing and eatables, states that "concentrated chicken" has contributed to the recovery of many typhoid patients, who were apparently beyond medical aid, and recomshould not be seen with the regiment till the mends that quantities of it should be put up at day of its departure. In the interim he ob once, and forwarded to the hospitals. For the tained a knowledge of tactics, manual, &c., benefit of those who wish to make it, we give sufficient to enable him to appear well in the her directions: "Prepare the chicken as for ranks. On the morning of the day that we stewing; put it into cold water, just enough to left Readville, he was spied by his mother keep from burning, and boil until the flesh can while leaving the house. She, suspecting his be stripped from the bones; to the flesh and desire, had watched him closely, and called - some water add salt and a little pepper, but no "George, where are you going?" "To have butter, and let it simmer slowly for a long my boots mended," was his reply. He says time, or until reduced as much as possible. that he "joined the regiment because the Gov- Seal it up hot in cans." Mutton and beef can

> KINDNESS TO ANIMATS .- The New York World well remarks: "Gentleness, like charity, is twice blessed—the effects of which on the animals around the homostead are scarcely less noticeable than upon the family of your household. No man can be truly kind to the latter mankind Harehness has ita curaca

CELEBRATED DANDELION COFFEE.

THE DANDELION COFFEE now offered to the public, is prepared from the fresh roots.
In submitting this valuable article to the public favor, the manufacturer only complies with the urgent and increasing demands of the public. It is unquestionably one of the most reliable and effectual remedies yet discovered for the diseases it is applied. It is strongly recommended by the Faculty as a superior nutrious beverage for General Debility, Dyspepsia, Disease of the Liver, commended by the Faculty as a su-erior nutrious beverage for General Debility, Dyspepia, Disease of the Liver, Billious Affections and Irritable condition of the Storasch. The many thousands who have been reluctantly compelled to abandon the use of Coffee, owing to the injury done to their health, will find this superior to the best Java Coffee, to say nothing of its great and acknowledged medicinal benefits. The intelligent perion of the community areso well acqual uted wiin the medicinal properties of the Dandelion, that they require but the assurance that the article offered to them is the pure Dandelion Root.

**The Dandelion of this Coffee will make as much as two pounds of the best Java
