HARRISBURG, PA Saturday Afternoon, January 18, 1862.

In Town.-Fire Marshal A. W. Blackburn of Pullidelphia, was in town yesterday, investigating the circumstances connected with the fire at Loeb's variety store, in Kemble's build ing, Market street. The examination was made at the instance of the officers of the Royal (Liverpool) Insurance company, to whom the Marshal will report.

ARRIVAL OF RECRUITS. - Capt. W. W. Brown ha-returned to Camp Curtin, bringing with amusing character. him sixteen recruits, which fills his company to the minimum number. There is still, however, room for a few more recruits, and we would recommend to young men who desire to enlist to hunt up Capt. Brown's company of sharpshoolers, and "step into line." There is no better captain in camp.

MORE COUNTERFEITS. - Since the issue of small bills by the banks, the country has become flooded with spurious paper. We see it noticed of Lancaster, and tens on the Commercial Bank of Bristol, B. I. The most profitable is to study the counterfeit detectors.

CLEANLINESS NEXT TO GODLINESS. - Tobacco chewers visiting church should bear this in ting over the floor and upon the backs of pews. 88 it is very offensive to the ladies, and emphatically a very beastly habit. Those addicted to the tobacco squirting propensity during divine service had better carry a white pocket handkerchief to contain the precious juice than guilty of so mean an act.

THE UPS AND DOWNS OF TO-DAY. -- Pedestringting in our city to day was quite a difficult they stood firm, were forced to "take heed lest | facture of the article next summer. they fall." There were a number of severe "falls," and many of a very serious description. Altogether it was a trying day for pedestrianslower extremities. The centre of the street wisest adopted it in preference.

AMUSEMENTS. - Sanford's Opera House was again densely crowded last night with a brilliant and discerning audience. "Uncle Tom's Cabin" was produced in admirable style, and with telling effect, the audience frequently giving vent to their feelings in tremendous applause. We see that the splendid burlesque and extravaganza of the "Seven Sisters" is underlined for representation next Monday night. The piece has been long in preparapurtenances of new scenery, dresses, &c., interspersed with songs and operatic music.

RATHER ROUGH, BUT TRUE. -The "Local" of that city does not teach them a little decency. Such low-bred snobs don't presume to gap into the ladies faces as they leave any of the churches in our place." About a year ago the police, in a commendable spirit of moral reform, undertook to eradicate this evil, and for a time succeeded admir.bly well; but as the movetention from the matter altogether, since which numerous and, if anything, more impudent by supremacy in extravagance. than they ever were before. We commend the notice of our Danville cotemporary to the attention of the police authorities, and hope that for the credit of our city they will again bestir themselves in this matter, and never cease their efforts until the nuisance is thoroughly crushed out.

SERIOUS ACCIDENT.—On Tuesday morning last business a man in trade can follow, at present, Samuel Johnson, a brakesman on one of the freight trains between Altoona and Harrisburg, was knocked off the train, in the vicinity of Spruce Creek, by being struck with a stone or some other missile, thrown by an unknown mind and avoid the indecent practice of spithis legs crushed that it had to be amputated. If the intention of the person throwing the missile was to injure some one, he was very unsuccessful; but if, as is more than likely, it was thrown thoughtlessly, or for amusement, as some boys are in the habit of doing, the one spit upon the floor for the ladies to wipe up throwing it has undoubtedly received a lesson with their dresses.
